**IQAC Coordinator**

Dr. Sunil Thitame  
Centre For Social Medicine

**I/C Director**

Dr. Sonali Das  
Centre for Biotechnology

**IQAC Coordinator**

Miss. Jyoti Kulkarni  
Centre for Biotechnology

## **Executive Summary of Report**

### Observations

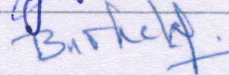

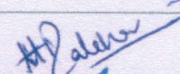

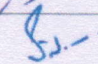

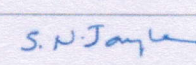

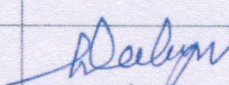

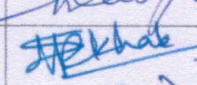

1.	The University is established according to the established procedure of UGC.
2.	Different Institutes are established under the aegis of Pravara Medical Trust and are affiliated /constituent units of Pravara Institute of Medical Sciences (Deemed to be University), Loni.
3.	Constituent Units are having permissions from the Regulatory Authorities.
4.	The Programmes are recognized by Regulatory Authorities.
5.	The Admission procedure for MBBS, BDS programmes are through NEET examinations as per the Government norms.
6.	Non-NEET admissions are through All India Common Entrance Test conducted by PIMS-DU
7.	The Infrastructure needed by each Institution is as per the guidelines of concerned regulatory bodies.
8.	Prescribed types of equipment/instruments for the required laboratories are available and in working condition.
9.	Appointment of teaching faculty is as per the norms of regulatory bodies.
10.	It is noteworthy that qualified staff, having a passion for teaching is available with the lowest attrition rate, barring few exceptions.
11.	Regular meetings of Board of Studies, Academic Council, as required and conducted. Academic and other problems are discussed and the relevant suggestions are implemented.
12.	Major and Minor changes suggested in the syllabus are implemented taking into consideration National/Regional and Local needs within the framework of guidelines of statutory /regulatory bodies.
13.	The programmes and courses are having the desired output based upon the attributes.
14.	The academic schedule is prepared as per the guidelines, notified and implemented.

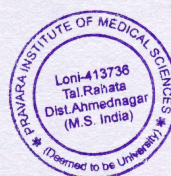

15.	Various Teaching Learning methods, pedagogies are in use depending upon the relevance and need of the courses.
16.	Strategies for slow and fast learners identification is well established and remedial measures are taken for slow learners and challenging tasks are assigned to fast learners.
17.	100 % of faculty uses the ICT for TLE
18.	Innovative strategies for learning viz PBL, CBL, Seminar, DOAP, Blended Learning etc are in use apart from traditional TLE methods.
19.	CIA is done and results are discussed with candidates. Feedback is obtained from the candidates.
20.	Mentor-Mentee system is well established and proved to have great support for the students.
21.	Research facilities are available at Departmental / Institutional levels and are utilised by UG/PG/PhD students
22.	"Innovation Council" is established for the budding scientists and the faculty.
23.	A good number of faculty is benefitted by participation in FDP /PDP.
24.	A Big library (Centrally Cooled) with a large number of books is available and utilized by stakeholders.
25.	The adequate number of foreign and Indian Journals is subscribed and has large databases MEDLAR, DELNET is available. Language Laboratory is also available.
26.	Separate Girls hostels / Boys hostels / Intern hostels with modern amenities, Wi-Fi are available.
27.	An open sports playground / Indoor game halls and Gyms are available for Boys, Girls and Faculty.
28.	Every effort is made to make the student comfortable, provide academic ambience for multifaceted development of students.
29.	The number of Local /Regional / National / International Collaborations/ Linkages are available for the bilateral exchange of students, faculty for Academic and Research enhancement activities.

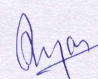

30.	SWOC analysis of each institute is rational.
31.	Strength is to be maintained and exploited.
32.	Weaknesses are to be overcome or transmit into Opportunity. Challenges are to be overcome under the leadership of Hon'ble President, Dr. Rajendra Vikhe Patil and guidance of Hon'ble Vice-Chancellor Dr. Y. M. Jayaraj Sir
33.	Tangible future plans for Introduction of Fellowships and New Programs as per the need of the hour.
34.	<i>The aim was not to compare the performance of Institutions amongst themselves, as each institution has definite Mission, Goals and Functions to be carried out, and making the efforts for upliftment to meet the social, mental and physical aspects for Health with holistic approach keeping in mind the poor, rural strata at the centre.</i>
35.	<b>Recommendations/Suggestions:</b> <ol style="list-style-type: none"> <li>1) Research Publications needs to be enhanced in indexed journals.</li> <li>2) Efforts should be made to seek research funding from Government and/or Non-Government Organisations in the form of funded research projects.</li> <li>3) Efforts should be made to fill vacant seats (UG and PG) wherever they remain vacant.</li> <li>4) Alumni to be made part of the Pravara Family and more vibrant.</li> </ol>
