

Smt. Sindhutai Eknathrao Vikhe Patil College of Nursing Completed Projects (F72 +PG140 +UG22=234)

S.N	Title	Investigator	Year
Faculty (72)			
1.	Assess the menopausal symptoms & quality of life of post menopausal women residing at rural Maharashtra	Mrs Kalpana Kale	2018-19
2.	Study of immunization coverage among underfive children through child to child /parent strategy (C-C-P) living along a school students	Dr V Radha	2018-19
3.	Impact of Psycho educative intervention on ADL, Psychosocial problems & QOL among elderly population at PRH.	Mrs. G. Vimla	2018-19
4.	Ill effect of mobile phone use among adolescents in selected area of loni village.	Mr. Jitendra Belokar	2018-19
5.	Assess the socio economic status and health seeking behavior of rural population	Dr T Sivabalan	2018-19
6.	Factors contributing to suicidal risk, health status and quality of life among farmers of drought prone areas of Ahmednagar district of Maharashtra	Mr. Jitendra Belokar	2018-19
7.	Effectiveness of exercise Program on mobility, activity of daily living, quality of life among elderly residing at rural area.”	Mrs. G. Vimla	2018-19
8.	“Assess the economic status and health seeking behavior of rural population.”	Dr T Sivabalan	2018-19
9.	Impact of nursing rehabilitation programme on health problems and quality of life among head and neck cancer patients admitted at Pravara Rural Hospital, Loni (Bk).”	Dr T Sivabalan	2018-19
10.	Assess the effectiveness of information module on awareness of cervical cancer among women residing at Loni Bk village	Mr. Rajendra Lamkhede	2018-2019
11.	A study to assess the impact of rehabilitation programme on quality of life of patients with COPD admitted in PRH, Loni	Ms. Heera Jaysheela	2019-20
12.	Clinical Profile and Quality of Life of Burn Patients Admitted at Pravara Rural Hospital, Loni Bk.	Mr. Eknath Gawade	2019-20
13.	Socio economic status, health seeking behavior and awareness on cancer disease among tribal population at Ahmednagar District, Maharashtra.	Dr T Sivabalan	2019-20
14.	Impact of psychoeducative interventions on activities of daily living, psychosocial problems and quality of life among elderly population at PRH, Loni Bk	Mrs. G. Vimla	2019-20
15.	Prevalence of lifestyle diseases and dietary practices among tribal population	Dr T Sivabalan	2019-20
16.	Health seeking behavior on cancer among women residing at Rahata taluka	Mr. Rajendra Lamkhede	2019-20

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

17.	Effect of maternity nursing logbook on basic nursing skills among the internship nursing students of SSEVPCON, Loni (Bk)	Mrs. Kavita Bhoknal	2019-20
18.	Effectiveness of microteaching on professional teaching skills among prospective nurse educators of SSEVPCON, Loni	Mrs. G. Vimla	2019-20
19.	Effectiveness of nursing education program on care of women with menopausal symptoms among nurses working in Pravara Rural Hospital, Loni Bk	Mrs Kalpana Kale	2019-20
20.	Effect of STP on knowledge regarding puerperal sepsis among staff nurse working in PRH, Loni	Mrs. Bharti Weljale	2019-20
21.	Effectiveness of video simulation on knowledge regarding neonatal assessment among second year GNM students of Pravara Institute of Medical Sciences, Loni, Maharashtra.	Mrs. Shelar Sangita	2019-20
22.	Perception of final year nursing students about their educational environment under SSEVPCON, PIMS, Loni	Mr. Rajendra Lamkhede	2019-20
23.	Effectiveness of Dietary counseling on improvement of Hemoglobin level among Adolescents girls at selected school of Loni village	Mrs Kalpana Kale	2020-21
24.	Assess the effectiveness of Microteaching on Professional teaching skills among prospective nurse educators of SSEVPCON, Loni (Bk)	Mrs. G. Vimla	2020-21
25.	Assess the psychological problems & coping strategies adapted among post -menopausal women at tribal area of Bhadardara	Mrs Kalpana Kale	2020-21
26.	Impact of reproductive organ cancer awareness campaign on seeking medical help among women of Rahata Taluka, Ahmednagar district, Maharashtra	Mr. Rajendra Lamkhede	2020-21
27.	Impact of psychoeducative interventions on activities of daily living, psychosocial problems and quality of life among elderly population at PRH, Loni Bk	Mrs. G. Vimla	2020-21
28.	Assess the awareness and perception regarding birthing process among pregnant women residing in tribal areas of Bhandardara	Mrs. Bharti Weljale	2020-21
29.	Effectiveness of nursing interventions on maternal & neonatal outcome during first stage of labour among primigravida mothers at PRH, Loni Bk	Mrs. Bharti Weljale	2020-21
30.	Assess the quality of clinical evaluation, barriers and Challenges in applying new methods of clinical evaluation of Nursing students among the clinical instructors working at selected SSEVPCON at Ahmednagar	Dr T Sivabalan	2020-21
31.	Effectiveness of information module on awareness among women regarding breast cancer residing at Loni	Mr. Rajendra Lamkhede	2021-22

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

32.	“Effectiveness of Nursing Interventions on menopausal symptoms and quality of life of post menopausal women residing in rural area“	Kale Kalpana Shivaji	2021-22
33.	Development of Question bank module and its impact assessment on under graduate nursing student’s academic performance	Dr T Sivabalan	2021-22
34.	Effectiveness of back massage vs breathing exercises on labour pain and anxiety among primigravida mothers during first stage of labour in Pravara Rural Hospital, Loni(Bk)	Mrs. Bharti Weljale	2021-22
35.	Effectiveness of planned teaching programme to the high school children on hazards of plastic use in selected schools	Mr. Rajendra Lamkhede	2021-22
36.	Perceptions of Final year Nursing Students about their educational environment under SSEVPCON, PIMS-DU, Loni.	Mr. Rajendra Lamkhede	2021-22
37.	A study to assess the effectiveness of nursing interventions on menopausal symptoms and quality of life of post menopausal women in rural area of Rahata taluka	Mrs Kalpana Kale	2021-22
38.	The effect of Maternity Nursing logbook on basic Nursing skill among the internship Nursing students of SSEVPCON, Loni Bk.	Mrs. Kavita Bhoknal	2021-22
39.	Assessment of Clinico-investigative profile and Outcome of critically ill Newborns admitted in Neonatal Intensive Care Unit of Pravara Rural Hospital, Loni Bk.	Mr. Vaibhav Bhosale	2021-22
40.	Assess the Prevalence of tobacco use and its dependence level among the rural population of Ahmednagar District.	Mrs. G. Vimla	2021-22
41.	"Effectiveness of Nursing Interventions on Maternal & Neonatal Outcome During First Stage of Labor Among Primigravid Women admitted at Pravara Rural Hospital, Loni (BK).”	Bharti Satish Weljale	2021-22
42.	A Study to assess the health problems and psychosocial problems of elderly population residing at tribal area	Mrs. G. Vimla	2021-22
43.	Efficacy of COVID-19 vaccines and specific risk factors associated with development of COVID-19 disease among vaccinated population.	Dr Sujata Sawant	2021-22
44.	Effectiveness of psychotherapeutic interventions on anxiety and depression among the post-operative orthopaedic patients at select multispecialty teaching hospital at Ahmednagar district, Maharashtra	Sharadchandra V. Dighe	2021-22
45.	A study to assess the sleep quality among the post-operative orthopedic patients admitted at Pravara Rural Hospital, Loni Bk	Sharadchandra V. Dighe	2021-22

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

46.	Effectiveness of nursing interventions on anxiety, depression, sleep quality and health related quality of life of post-operative orthopaedic patients admitted at Pravara Rural Hospital, Loni (Bk)	Sharadchandra V. Dighe	2021-22
47.	Effectiveness of psychotherapeutic nursing interventions on stress, anxiety, depression and quality of life among farmers residing in rural areas of Rahata taluka, Ahmednagar district, Maharashtra	Mr. Jitendra Belokar	2021-22
48.	A study to assess occupational stress among farmers residing in selected rural area of Rahata Taluka, Ahmednagar district	Mr. Jitendra Belokar	2021-22
49.	Awareness and Attitude about Nurse Led Clinic (NLC) among Health Care Professionals	Mrs. Kavita R. Bhonal	2021-22
50.	Effectiveness of Video Simulation on Knowledge regarding neonatal assessment among second year GNM students at Pravara Institute of Medical Sciences, Loni, Maharashtra.	Mrs. Sangita Arun Shelar	2022-2023
51.	Effectiveness of Nursing Education Program on Care of Women with Menopausal Symptoms among nurse working in PRH, Loni Bk.	Mrs Kalpana Kale	2022-2023
52.	Effectiveness of information brochure on uterine cancer awareness among women at selected village of Rahata Taluka	Mr. Rajendra D. Lamkhede	2022-2023
53.	A study of evaluation of Knowledge and attitude towards hospital infection prevention and control among nursing staff in tertiary care teaching hospital	Mr. Vaibhav B. Nalkar	2022-2023
54.	Comparison of Neonatal Mortality risk assessment scales for Prediction of Neonatal Mortality among Critically ill newborns at a Rural Tertiary Care Hospital.	Mr. Vaibhav Bhosale	2022-2023
55.	Assess the lived experience of chronic obstructive pulmonary disease patients admitted at Pravara Rural Hospital : A Qualitative phenomenological study.	Dr. Heera Jayasheela	2022-2023
56.	A Study to assess the awareness and attitude about nurse led clinic among health care professionals at Pravara Rural Hospital, Loni-Bk	Mrs. Kavita R. Bhoknal	2022-2023
57.	A study to assess quality of life of burn clients admitted at PRH, Loni	Mr. Eknath Gawade	2022-2023
58.	Effectiveness of psychotherapeutic nursing interventions on stress, anxiety, depression & quality of life among farmers of Rahata taluka, Ahmednagar district, M.S.	Mr. Jitendra Belokar	2022-2023
59.	A Study to Assess the Utilization of Maternal and Child Health Services among Mothers of the infants of Rahata Taluka	Mrs. Sandhya Eknath Gawade	2022-2023
60.	Assess the effect of sleep quality on cognitive and physiological function among the patient admitted in medical ward of PRH Loni	Mr Swapnil Tambe	2022-2023
61.	Assess the awareness on Covid- 19 disease and its prevention rural population.	Mr. Shinde B. S.	2022-2023

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

62.	Effect of National Lockdown due to COVID- 19 disease on Biopsy chosocial health among rural population of Ahmednagar district.	Mr. Akshay I. Javare.	2022-2023
63.	A Study to assess use of Computer Assistant Learning (CAL) and its barriers among nursing graduates of PIMS-DU, College of Nursing Loni, Bk.	Mr. Sagar S. Mandhare.	2022-2023
64.	A Study to assess the Health Status and Perinatal Outcome of unregistered Antenatal mothers visiting at PRH, Loni- Bk	Asha Garad.	2022-2023
65.	Study to assess the Faculty Awareness, Attitude and Perception towards the online teaching experience of Constituent unit of PIMS-DU, Loni-Bk.	Geetha P.	2022-2023
66.	Assess the Physical and Psychiatric Morbidity among elderly population visiting at PRH.	Antre Sushma.	2022-2023
67.	A Study to assess Clinical Profile of Low birth weight babies and its associated factors among newborns admitted at Pediatric ward, PRH, Loni.	Mr. Bharti Jadhav	2022-2023
68.	Assess the awareness on ill effects of Tobacco Consumption among adolescents of rural areas.	Mr. Kalpesh Parvat.	2022-2023
69.	A Survey of breast feeding problems among postnatal mothers admitted in rural hospitals of Ahmednagar district, Maharashtra	Dr. Sujata Sawant	2022-2023
70.	A study to assess psychosocial problems of burn patients admitted at burn ward of Dr. VVPPRH, Loni Bk	Mr. Eknath Gawade	2022-2023
71.	Quality of life among farmers in rural areas of Rahata Taluka, Ahmednaagar district, Maharashtra	Mr. Jitendra Belokar	2022-2023
72.	Assessment of various barriers for implementation of Nurse Led birth clinic among nursing staff in Dr. Vitthalrao Vikhe Patil Pravara Rural Hospital, Loni Bk	Mrs. Kavita R. Bhoknal	2022-2023
PG Students(140)			
73.	A study to assess oxygenation pattern and interpretation of arterial blood gas in children admitted in Pravara Rural Hospital, Loni	Ms. Gunjal Deepali Raghunath	2018-2019
74.	A study to assess the impact of selected maternal parameters on neonatal oxygen saturation level through pre and post ductal saturation monitoring immediately after birth at Pravara Rural Hospital, Loni.	Mr. Shaikh Sajid Babu	2018-2019
75.	A study to assess Prevalence of selected Health Problems among school children of tribal region of Akole taluka	Mr. Javare Akshay Indrabhan	2018-2019
76.	Study to assess impact of sensitization programme on awareness and attitude regarding organ donation among people of Rahata taluka	Ms. Petkar Shweta Sanjay	2018-2019

77.	Effectiveness of information pamphlet regarding awareness of new guidelines of revised national tuberculosis control programme and utility of CB-NAAT(Cartridge based Nucleic acid amplification test among nurses of Rahata taluka	Mr. Pabale Prasad Ramnath	2018-2019
78.	A study to assess the clinical profile and management of patients with fracture admitted in PRH	Mr. Farhan Patel	2018-2019
79.	A study to assess the Psychiatric and physical morbidity among elderly group people residing in tribal area of Bhandardara	Mr. Swapnil Aher	2018-2019
80.	A comparative study to assess effect of balloon therapy versus incentive spirometry in promotion of respiratory function in children with respiratory infection admitted in PRH Loni.	Mr. Dokhe pradip	2018-2019
81.	Effect of coconut oil massage in weight and behavioural response among low birth weight babies admitted at PRH loni (bk)	Gadekar Nitin	2018-2019
82.	Assess the psychological distress and quality of life among caregivers of schizophrenia patient in PRH Loni	Gaikwad Dheeraj	2018-2019
83.	Assess the factors associated with the non compliance of DOTS treatment among the attending DOTS centre of PRH loni	Gawade Sandhya	2018-2019
84.	Assess the clinical profile and lived experiences of myocardial infarction patients admitted at pravara rural hospital loni bk a mixed method study	Ghate Abhijit	2018-2019
85.	A study to assess biopsychosocial problem and lived experiences of patients receiving ART therapy in PRH Loni	Gopale Somnath	2018-2019
86.	A study to assess clinical profile and outcome of children with severe acute malnutrition admitted in PRH Loni	Gholap Meghsham	2018-2019
87.	Assess the effectiveness of school health hygiene and environmental programme (SHAPE activity) on awareness and practice on dental care among the school health children of rural area	Gulave Mahendra	2018-2019
88.	Assess the etiology clinical profile and outcome of ca cervix patients admitted in oncology ward PRH, Loni	Jagtap Raosaheb	2018-2019
89.	Assess the risk factors and awareness on coronary artery disease among rural population	Jejurkar Pravin	2018-2019
90.	Effectiveness of preoperative education on postoperative outcome among patients undergoing major gynaecological surgery in PRH	Kapase Swapnali	2018-2019
91.	A study to assess the effectiveness of nursing interventions on prevention of urinary tract infection among patients with urinary catheters admitted at Pravara Rural Hospital, Loni.	Kashid Abhishek	2018-2019
92.	Effectiveness of tepid sponge on physiological parameters among pyrexia children in PRH	Mhaske Nilesh	2018-2019

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

93.	Assess the effectiveness of awareness camp on attitude, knowledge and myth of mental illness in tribal area of Bhandardara	Nirmal Nitin	2018-2019
94.	Assess the clinical profile and management of patients with fracture admitted in orthopaedic ward of PRH, Loni	Rakshe Kanchan	2018-2019
95.	To assess the prevalence of visual problem and its associated risk factors among adult residing in triable area of Bhandardara	Shide Amish	2018-2019
96.	A study to assess the effectiveness of swaddling on physiological and neurobehavior parameters among infants admitted in PRH	Shinde Avinash	2018-2019
97.	Assess the effectiveness of exercise programme on health related quality of life in patients with CCF admitted in PRH Loni	Tambe Swapnil	2018-2019
98.	Assess the maternal and fetal outcome of anaemic from anemic mothers admitted in Pravara Rural Hospital	Mrs. Varsha Yeole	2018-2019
99.	Effectiveness of prenatal education on awareness regarding anaemia and its effects on health among primi antenatal mothers attending OBGY OPD	Khadse Mangala	2018-2019
100.	Assess the Clinic-Investigative Profile and Treatment outcome of Cerebro-Vascular Accident (CVA) Patients admitted in Pravara Rural Hospital	Mr. Sanap Satish Suresh	2018-2019
101.	A study to assess the Effectiveness of Self Management Programme on Quality of Life among patients underwent Gastrointestinal surgery at PRH, Loni (Bk)	Ms. Singh Ajila Retnavijay	2018-2019
102.	A study to assess Clinical Profile, treatment strategies and its outcome of the patients with diabetic foot admitted in PRH Loni Bk	Mr. Nirmal Somnath Mohan	2018-2019
103.	Assess the clinical profile and treatment outcome of Coronary artery disease patients admitted in PRH Loni	Ms. Khalkar Jayashree Vitthalrao	2018-2019
104.	Effectiveness of video assisted instructions on awareness and attitude regarding emergency contraceptives among the eligible couples residing at Loni (Bk)	Ms. Jadhav Arti Popat	2018-2019
105.	Effectiveness of prenatal education regarding birth preparedness and its outcome among primi antenatal mothers attending obstetrics and gynecology out patient department, Praavara Rural Hospital Loni (bk)	Ms. Sayyad Farhin Anosoddin	2018-2019
106.	A study to assess nutritional status, its sociocultural factors and maternal outcome among the antenatal women admitted in PRH, Loni (Bk)	Mrs. Nikam Jayashree Appasaheb	2018-2019
107.	Identify the prediction of pediatric risk for mortality (PRISM) among the children admitted in selected intensive care unit at Pravara Rural Hospital Loni	Mr. Mahendra Bansode	2019-2020
108.	Assess the effectiveness of stimulation therapy on neurological status among unconscious children with neurological disorder admitted in pediatric wards, PRH Loni	Ms. Ashwini Ashok Shinde	2019-2020

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

109.	A study to assess clinical blood transfusion practices and outcome among children receiving blood transfusion admitted in PRH, Loni Bk	Mr. Ganesh Korse	2019-2020
110.	Assess the risk factors, clinic investigative profile and treatment outcome of neonates with hyperbilirubinemia admitted in neonatal wards, Pravara Rural Hospital Loni Bk	Mr. Hurkule Shrikeshna	2019-2020
111.	Efficacy of selected maternal factors on birth characteristics in newborns admitted at Oravara Rural Hospital, Loni Bk	Ms. Akanksha S Ghorpade	2019-2020
112.	A study to assess oxygenation pattern & interpretation of arterial blood gas in children admitted in PRH, Loni	Ms. Gunjal Deepali Raghunath	2019-2020
113.	A study to assess the impact of selected maternal parameters on neonatal oxygen saturation level through pre & post ductal saturation monitoring immediately after birth at PRH, Loni	Mr. Sajid Shaikh	2019-2020
114.	A study to assess prevalence of selected health problems among school children of tribal region of Akole taluka	Mr. Akshay Jaware	2019-2020
115.	A study to assess the quality of life among patients with gynecological cancer admitted at Pravara Rural Hospital	Mr. Vishal Tanpure	2019-2020
116.	A study to assess the prevalence of anaemia and its effect on health status among young adolescents of SSEVPCON PIMS (DU) Loni Bk	Mr. Nibe Ankit	2019-2020
117.	A study to assess the level of satisfaction on services received during hospitalization among patients admitted in Pravara Rural Hospital	Mr Dipak S Gite	2019-2020
118.	A study to assess the perceived barriers by parents for noncompliance of immunization coverage among the birth - 5 years children residing at Loni village	Mr. Dadasaheb Jeughale	2019-2020
119.	study to assess impact of sensitization programme on awareness & attitude regarding organ donation among people of rahata taluka	Ms. Petkar Shweta	2019-2020
120.	Effectiveness of information pamphlet regarding awareness of new guidelines of revised national TB control programme & utility of CB-NAAT (Cartridge based Nucleic Acid Amplification Test) among nurses of Rahata taluka	Mr. Pabale Prasad	2019-2020
121.	Assess the effectiveness of magnesium sulphate crystal with glycerin Vs Thrombophobe application among the patients with phlebitis admitted in Pravara Rural Hospital	Mr. Mangesh Mankar	2019-2020
122.	A study to assess clinical profile treatment strategies and outcome of patients on hemodialysis at PRH Loni Bk	Mr. Deepak Gagare	2019-2020
123.	A study to assess clinical profile treatment strategies and screening of early complications of diabetes mellitus patients admitted at Pravara rural Hospital	Mr. Amol Gaiwad	2019-2020

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

124.	Assess the clinical profile and outcome of blood and blood component therapy among transfusion recipients admitted in the PRH Loni Bk	Mr. Sagar Gaikwad	2019-2020
125.	An observational study on utilization of time & outcome of planned surgeries in selected operational theatres in PRH, Loni Bk	Mr Sachin Kolhe	2019-2020
126.	A study to assess the health problems and followup care need among convalescence phase of postoperative patients with major surgeries at PRH, Loni	Mr. Akash Sadaphal	2019-2020
127.	Assess the clinical profile, management modalities & its outcome of patients with chest trauma admitted in PRH, Loni Bk	Mr. patil Aditya	2019-2020
128.	Assess the clinic-investigative profile & treatment outcome of CVA patients admitted in PRH, Loni Bk	Mr. Sanap Satish	2019-2020
129.	A study to assess the effectiveness of self management programme on quality of life among patients underwent gastrointestinal surgeries at PRH, Loni Bk	Ms. Ajila Singh	2019-2020
130.	A study to assess clinical profile, treatment strategies & its outcome of the patients with diabetic foot admitted in PRH, Loni Bk	Mr. Nirmal Somnath	2019-2020
131.	Assess the clinical profile & treatment outcome of coronary artery disease patients admitted in PRH, Loni	Ms. Khalkar Jayashree	2019-2020
132.	Study to assess the mental health of head and neck cancer patients undergoing oncological treatment at Pravara Rural Hospital, Loni	Mr Pravin Vahadane	2019-2020
133.	A study to assess the prevalence of post partum psychosis and psychological issues among postnatal mothers at PRH, Loni Bk	Mr. Sagar Bidve	2019-2020
134.	A study to assess the effect of existing level of stress and anxiety upon mental status among orthopedic patients during pre and post operative period at Pravara Rural Hospital Loni	Mr. Sandip Tambe	2019-2020
135.	To assess the mental health status of patients with alcohol dependence and their quality of life attending psychiatric and medicine OPD of PRH	Mr Rajendra Shinde	2019-2020
136.	A study to assess the cognitive function and care needs of elderly patients with chronic diseases	Mr. Lalit Pawar	2019-2020
137.	Effectiveness of video assisted instructions on awareness & attitude regarding emergency contraceptives among the eligible couples residing at Loni	Ms. Jadhav Arati Popat	2019-2020
138.	effectiveness of prenatal education regarding birth preparedness & its outcome among primi antenatal mothers attending OBGY OPD, PRH, Loni Bk	Ms. Sayyad Farhein	2019-2020
139.	Clinical profile & outcome of preterm labour among the antenatal mothers admitted at PRH, Loni Bk- A prospective study	Ms. Shinde Yogita	2019-2020

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

140.	A study to assess nutritional status, its sociocultural factors and Maternal outcome among the antenatal women admitted in PRH, Loni Bk	Ms. Nikam Jayashree	2019-2020
141.	A study to assess the implementation and efficacy of saving mother score (SMS) in predicting maternal and fetal outcome of pregnant mothers admitted in labor room	Ms. Sonali Kashid	2019-2020
142.	A study to assess the lactation initiation practices on intra-natal mothers admitted in labor room in PRH Loni and its effects on maternal and fetal outcome	Ms. Kaveri D Patole	2019-2020
143.	Identify the prediction of pediatric risk for mortality (PRISM) among the children admitted in selected intensive care unit at Pravara Rural Hospital Loni	Mr. Mahendra Bansode	2020-2021
144.	Assess the effectiveness of stimulation therapy on neurological status among unconscious children with neurological disorder admitted in pediatric wards, PRH Loni	Ms. Ashwini Ashok Shinde	2020-2021
145.	A study to assess clinical blood transfusion practices and outcome among children receiving blood transfusion admitted in PRH, Loni Bk	Mr. Ganesh Kolve	2020-2021
146.	Assess the risk factors, clinic investigative profile and treatment outcome of neonates with hyperbilirubinemia admitted in neonatal wards, Pravara Rural Hospital Loni Bk	Mr. Hurkule Shrikeshna	2020-2021
147.	Efficacy of selected maternal factors on birth characteristics in newborns admitted at Oravara Rural Hospital, Loni Bk	Ms. Akanksha S Ghorpade	2020-2021
148.	A comparative study to assess the contributing factors of alcoholism and its impact on health and family among people residing in selected tribal and rural areas	Ms. Karuna Suradkar	2020-2021
149.	Assess the awareness, practices and barriers of family planning methods among reproductive age group women in selected tribal area of Bhandardara	Mrs. Sujata Umbarkar	2020-2021
150.	Comparative study to assess the environmental sanitation practices and its effect on health among people residing at selected rural and urban area of Rahata taluka	Ms. Arti Dange	2020-2021
151.	A study to assess the awareness about ill effects of pesticides and its impact on health among the farmers residing at Rahata taluka	Mr. Jayant Deshmukh	2020-2021
152.	A study to assess the quality of life among patients with gynecological cancer admitted at Pravara Rural Hospital	Mr. Vishal Tanpure	2020-2021
153.	A study to assess the prevalence of anaemia and its effect on health status among young adolescents of SSEVPCON PIMS (DU) Loni Bk	Mr. Nibe Ankit	2020-2021
154.	A study to assess the level of satisfaction on services received during hospitalization among patients admitted in Pravara Rural Hospital	Mr Dipak S Gite	2020-2021

Directorate of Research, PIMS-DU

PRAVARA INSTITUTE OF MEDICAL SCIENCES (DEEMED UNIVERSITY)

155.	Assess the physical and psychiatric morbidity among geriatric patients living in Rahata Taluka	Mr. Akash Sadaphal	2020-2021
156.	Assess the awareness on availability & utilization of government health care activities /scheme by the rural population	Mr. Dadasaheb Jeughale	2020-2021
157.	Assess the associated risk factors, clinical profile and treatment outcome of patients with breast cancer admitted in Pravara Rural Hospital Loni (Bk)	Mr. Ganesh Dalvi	2020-2021
158.	Assess the associated risk factors, clinical profile and treatment outcome of patients with lung cancer admitted in Pravara Rural Hospital Loni (Bk)	Mr. Amol Nalkar	2020-2021
159.	Effectiveness of chlorhexidine Vs betadine oral care on oral mucocitis among oral cancer patients admitted in oncology ward of Pravara Rural Hospital, Loni	Mr. Amiol Gadhe	2020-2021
160.	Assess the perceived needs , lived experiences and awareness on medico-legal aspects among care givers of patients admitted in critical care areas of Pravara Rural Hospital Loni Bk	Mr. Suyog Ugale	2020-2021
161.	Study to assess the mental health of head and neck cancer patients undergoing oncological treatment at Pravara Rural Hospital, Loni	Mr Pravin Vahadane	2020-2021
162.	A study to assess the prevalence of post partum psychosis and psychological issues among postnatal mothers at PRH,Loni Bk	Mr. Sagar Bidve	2020-2021
163.	A study to assess the effect of existing level of stress and anxiety upon mental status among orthopedic patients during pre and post operative period at Pravara Rural Hospital Loni	Mr. Sandip Tambe	2020-2021
164.	To assess the mental health status of patients with alcohol dependence and their quality of life attending psychiatric and medicine OPD of PRH	Mr Rajendra Shinde	2020-2021
