Visit Report of International students from University of Worcester, UK

(Date of visit: 31st July 2023 to 04th August 2023)

09 Nursing students from University of Worcester, UK visited Smt. SEVP College of Nursing from 31st July 2023 to 04th August 2023. The details of the visit are as follows:

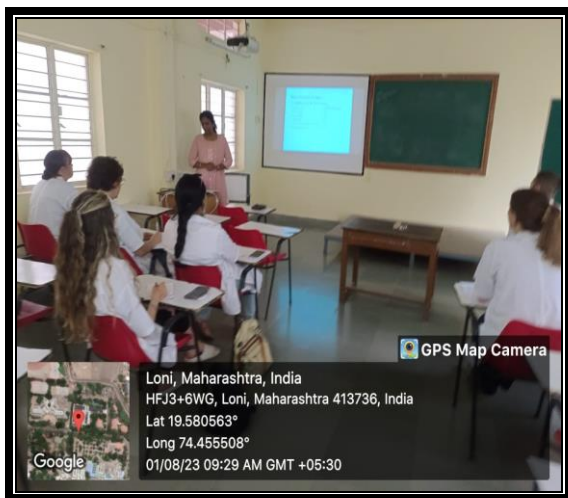

Day 1 (31.07.23) - Program Co-ordinator Ms. Rubina Cambell, Assistant Professor, Smt. SEVP College of Nursing received the students from NRI hostel on 31st July 2023 at 09:15 am. Students were welcomed at Smt. SEVP College of Nursing by the Principal & teaching faculty. Initially, Prof. Dr. Rajendra D. Lamkhede, Principal, Smt. SEVP College of Nursing addressed the Students and gave an overview of establishment of Smt. SEVP College of Nursing and various courses offered. After Principal's address, Students were oriented with the college infrastructure, classrooms, laboratories and other departments of college. After orientation, a brief Faculty interaction was carried out, where Smt. SEVP College of Nursing teaching faculty and International students introduced themselves to each other. Followed by faculty interaction, was the interaction with Student council. Student council in-charge Mr. Swapnil Tambe, Assistant Professor, Smt. SEVP College of Nursing and all student council members introduced themselves and discussed about the various curricular, co-curricular and extra-curricular activities performed by student council. After Lunch break, International students attended a Micro-teaching session organised by Ms. Rubina Cambell and presented by First year MSc. Nursing student, where they came across the concept of micro-teaching which they mentioned to be a new concept of teaching for them. After Micro-teaching session, Students

were taken to Fundamental of Nursing Laboratory, where Dr. Heera Jayasheela, Vice Principal, Smt. SEVP College of Nursing, demonstrated a basic nursing procedure of 'Bandaging' from Nursing Foundation subject. The Day 1 schedule ended with question and answer and feedback session, all the doubts and question of students were clarified by the respective faculty. Students departed at 5.00pm.

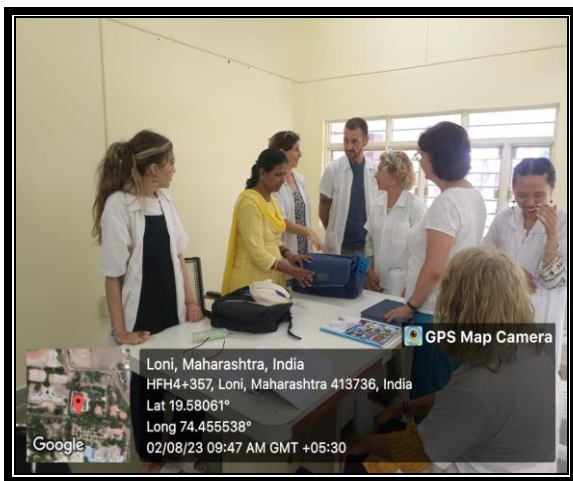

Day 2 (01.08.23) - Students reported to Smt. SEVP College of Nursing at 9:15 am sharp. Students attended a presentation from 9:15am to 11:00 am where Prof. Dr. Heera Jayasheela presented a lecture on 'Nursing Education in India'. After a break of 15 mins, Dr. Kalpana Kale, Asso. Prof. Smt. SEVP College of Nursing presented a lecture on 'Health care delivery system in India' from 11:15am to 01:00pm. Students departed for Lunch break. At 02:00pm Students were taken to Medical Surgical Nursing laboratory, where Mr. Abhishek Kashid

demonstrated a nursing procedure on 'Hand-washing'. Students were then taken to Medical ward in the Hospital, where under guidance of Ms. Rubina Cambell, students of Second year BSc. Nursing presented a medical case of 'Seizure disorder' to show the concept of Case Presentation and Nursing care plan as a part of clinical assignments in Nursing. The Day 2 schedule ended with question and answer and feedback session, all the doubts and question of students were clarified by the respective faculty. Students departed at 5.00pm.

Day 3 (02.08.23) – After reporting to Smt. SEVP College of Nursing at 9:15 am sharp, students were taken to Community health nursing laboratory , where Dr. Kalpana Kale discussed about the Concept of Home-visit and demonstrated Bag Technique to them. After a break of 10 mins, students were taken to ZP School, Pravaranagar, by Mrs. Sandhya Gawade to show them the concept of Child-to-

Child program, where a student from Fourth year BSc. Nursing Mr. Akash Pawar gave health education to students of Standard 4 on 'Personal Hygiene', and then those students passed the same health information to other students. Students were then taken for a visit to UPHC at Pravaranagar and RPHC at Kolhar. Students then departed for lunch. After lunch break, the students were taken to Obstetrics and Gynaecology areas by Mrs. Sonali Kashid, Tutor/CI, Smt. SEVP College of Nursing and were given orientation to Labour room, PNC unit and also explained the concept of Partograph. Mrs. Swapnali Kapse demonstrated an obstetrical procedure on 'ANC assessment'. Students departed at 5.00pm after a brief question and answer and feedback session.

Day 4 (03.08.23) – Students reported to college at 09:00 am sharp. Mrs. Savita Shelke, Tutor/CI, Smt. SEVP College of Nursing briefed the students about

concept of growth and development and took students to hospital for Orientation to Paediatric ward and PICU NICU units. Mrs. Rutika Giri, Tutor/CI, Smt. SEVP College of Nursing demonstrated a child health procedure on “Newborn assessment” in the ward. After a brief question and answer session, students departed for lunch. After lunch break, students had an interaction session with Student Nurses Association. After interactive session with SNA unit, students attended a panel discussion on a Mental Health Nursing related topic organised by students of Third year BSc. Nursing students under guidance of Prof. Mr Eknath Gawade, Smt. SEVP College of Nursing. Students departed at 5.00pm after a feedback and question answer session.

Day 5 (04.08.23) - An NSS activity of Kargil Day & Tree plantation by the hands of retired Soldiers from Soangaon village was planned. International Students along with the NSS students of Smt. SEVP College of Nursing travelled to Soangaon for the event and witnessed the event. Also students participated in the tree plantation activity. The event ended at 01:30pm. Students then proceeded for lunch. After lunch break, students reported back at 3.00pm, where a small farewell was organised by Faculty of CON. Students were thanked for their co-operation during the visit. Prof. Dr Rajendra Lamkhede, Principal, Smt. SEVP College of Nursing concluded the visit, clarified the questions and doubts of the students, and took feedback of their experience of visit to Smt. SEVP College of Nursing. At 04.00pm, the students were taken to School of Public Health, where Prof. K.V. Somasundaram sir welcomed them back and briefed about their next week of schedule plan.
