

**PRAVARA INSTITUTE OF MEDICAL SCIENCES
(DEEMED TO BE UNIVERSITY)**

**Loni, Tal. Rahata, Dist. Ahmednagar 413736
NAAC Re-accredited with 'A' Grade**

**Rules and Regulations for Admission and Award of Degree of
Doctor of Philosophy (Ph.D.) in
Medicine, Dentistry, Nursing and Allied Health Sciences**

Preamble:

Pravara Institute of Medical Sciences – Deemed to be University aspires to be 'Centre of Excellence' in Medicine, Dentistry, Nursing and Allied Health Sciences Education. It commits to improve health standards as well as quality research in various disciplines of health sciences keeping in view of global needs and demand, with a focus on empowerment of rural community for sustainable growth, development and wellbeing. PIMS – DU firmly believes research is an integral part of holistic development of human life and sustainable holistic development.

The Doctor of Philosophy (Ph.D.) program in the health sciences is proposed with an objective of promoting the quality research in respective disciplines, based on the thrust areas of each faculty/discipline.

The state of art infrastructure & facilities such as research equipments, diagnostic and treatment facilities, clinical materials available at the attached 1275 bedded multi-specialty Pravara Rural Hospital & eminent research oriented faculty in Medicine, Dental, Nursing and Allied Health Sciences as human resources available at the PIMS – DU shall be utilized for promoting research in health sciences. The approval and monitoring of Doctoral research activity will be carried out by the Ph.D. Cell and Research Advisory/ Doctoral Research Committee (RRC) of PIMS – DU. The Deemed to be University follows and makes timely amendments as suggested by the University Grants Commission (UGC) – New Delhi, with respect to Minimum Standards and Procedures for Award of Ph.D. Degree published from time to time.

1. Discipline:

The admissions to Ph.D. program will be made under the faculties such as Faculty of Medicine, Faculty of Dentistry, Faculty of Nursing and Faculty of Allied Health Sciences covering the wide spectrum of subjects of various disciplines.

- a. **Faculty of Medicine:** Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Pharmacology, FMT, ENT, Ophthalmology, Community Medicine, Medicine, Surgery, Orthopedics, Pediatrics, Obstetrics and Gynecology, Oncology, Radiotherapy, Radiology and Anesthesiology etc.
- b. **Faculty of Dentistry:** Periodontology, Oral and Maxillofacial Surgery, Conservative Dentistry and Endodontics, Orthodontics and Dentofacial Orthopedics, Oral Pathology and Microbiology, Pedodontics, Prosthodontics, Oral Medicine and Radiology etc.
- c. **Faculty of Nursing:** Medical Surgical Nursing, Psychiatric Nursing, Community Health Nursing, Child Health Nursing, Maternal Health Nursing etc.
- d. **Faculty of Allied Health Sciences:**
 - i. **Physiotherapy:** with specialties; Orthopedic Physiotherapy, Neuro Physiotherapy, Cardio Respiratory Physiotherapy, Pediatric Physiotherapy and Community Physiotherapy etc.
 - ii. **Biotechnology:** Biotechnology/ Medical Biotechnology/ Medical Microbiology/ Microbiology etc.
 - iii. **Public Health**
 - iv. **Interdisciplinary studies** in related Health Science subjects.

2. Eligibility criteria for admission:

A) For admission to the Ph.D. program in related subjects in the respective faculty, applicants fulfilling any of the following criteria shall be treated as eligible:

I. Medicine Faculty:

- i. Candidates with MD/ MS/ DNB/ DM/ M. Ch. or equivalent Master's Degree awarded by a University and recognized by MCI are eligible for Ph. D. programme.
- ii. In case of Pre-Clinical and Para-Clinical subjects, in addition to candidates who have completed M.D. or M.S. after MBBS degree, non-medical candidates with M.Sc. (3 years in medical college) namely M.Sc. (Medical Anatomy), M.Sc. (Medical Physiology), M.Sc. (Medical Biochemistry), M.Sc. (Medical Pharmacology), M. Sc. (Medical Microbiology) under Medical faculty as recognized by MCI are also eligible.

Candidates who have completed M. Sc. in Human Genetics under Medical Faculty and paramedical sciences are also eligible to register for Ph. D. course in Medical Genetics.

II. Dentistry Faculty:

Candidates with MDS degree of Dental P.G. Diploma awarded by State University/ Central University/ Deemed to be University & recognized by DCI are eligible for enrollment for Ph. D. program in Dentistry (specialization as available) of this University.

III. Nursing Faculty:

Candidates with M. Sc. in Nursing Degree awarded by State University/ Central Government/ Deemed to be University and recognized by INC are eligible for enrollment for Ph. D. Programme in Nursing of this University for Ph. D. in Nursing. (Specialization as available).

IV. Allied Health Science Faculty:

a) Physiotherapy: Candidates with a PG degree in Physiotherapy (specialties- Orthopedic Physiotherapy, Neuro Physiotherapy, Cardio Respiratory Physiotherapy, Pediatric Physiotherapy, Community Physiotherapy) or any other specialty introduced from time to time/ MS Orthopedic degree awarded by this University or a Master's

Degree considered as equivalent by Pravara Institute of Medical Sciences (DU) are eligible for enrollment to Ph. D. Programme in Physiotherapy under Allied Health Science faculty.

a) Biotechnology: Candidates with a PG degree in Biotechnology/Microbiology/ Medical Biotechnology/ Medical Microbiology or Any subject of Life Science/ Agriculture Science/ Veterinary Science (with Biotechnology or Microbiology) are eligible for enrollment to Ph. D. course in Biotechnology or Microbiology under Allied Health Science Faculty.

b) Public Health: Any PG degree from recognized University equivalent as per PIMS (DU) in the following subjects are eligible for admission to Ph. D. in Public Health in this University under Allied Health Sciences Faculty.

- i) PG in Public Health
- ii) MD/ MS in Medical subjects
- iii) MDS in Dental subjects
- iv) M. Sc. in Nursing subjects
- v) MPT in Physiotherapy
- vi) M. Sc. in Microbiology / PG in Life Sciences subjects/ Biotechnology.
- vii) PG in Ayurvedic Sciences
- viii) PG in Veterinary Sciences
- ix) PG in Agriculture Sciences/ Home Sciences/ Pharmacy.
- x) PG in Social work or Social Science with two years experience as MSW in any NGO/ Government organization involved in Public Health/ Community Health
- xi) PG (MBA) in Management (Health Management/ Hospital Administration /Human Recourses etc.)
- xii) PG in Life Sciences.

c) Inter Disciplinary Research in faculty of Allied Health Sciences in subjects of Interdisciplinary nature with reference to Health

Sciences offered jointly by the Departments of constituent Colleges are as follows:

- i) Pharmacology/ Pharmaceutical Science (offered by Dept. of Pharmacology RMC) (Eligibility MSC Pharmacology/ M. Pharmacy)
- ii) Radiation Physics (offered by Department of Oncology / Radiation Therapy / Radio Diagnosis of RMC(Eligibility: PG in Radiation Physics/ Physics with specialization in radiology/ MD in Radiation Therapy).
- iii) Health Profession Education (offered by Dept. of MET cell of RMC) (Eligibility: Any PG Degree in Medicine/ Dental/ Nursing and Allied Health Science Subjects)
- iv) Biotechnology (Offered by Center for Biotechnology/ Dept. of Microbiology RMC)(Eligibility: Any PG degree in Life Sciences/ Bio Science Subject, Maser of Technology (Biotechnology)/ Agriculture Science, Veterinary Science and Ayurvedic Science)
- v) Microbiology (offered by Center for Biotechnology and Dept. of Microbiology RMC) (Eligibility: Any PG degree in Life Sciences Subject, Agriculture Microbiology, Veterinary Microbiology and Maser of Technology (Biotechnology) or any PG Degree with Microbiology as a subject of study)
- vi) Health Science (Dept. of Community Medicine of RMC/ Microbiology of RMC/ CSM/ CBT) (Eligibility: PG in MPH/ M. Sc. In Biotechnology/ Microbiology/ Life Sciences subjects/ Ayurvedic Science/ Veterinary Science/ Agriculture Science/ Home Science).
- vii) Environmental Science (offered by Dept. of Community Medicine RMC/ Microbiology of RMC/ CSM/ CBT) (PG in MPH/ M. Sc. In Biotechnology/ Life Sciences subjects/ Medical/ Dental/ Ayurvedic Science/ Veterinary Science/

Agriculture Science/ MBA with Health & Hospital Administration/Human Recourses etc.)

viii) Human Anatomy (offered by Department of Anatomy RMC)(Eligibility: Any PG in Medicine/ Dental/ Veterinary Science/ Ayurvedic Science)

Note:

- i) Such M.Sc. degree holders while doing their Ph.D. shall confine themselves only to provide research inputs and perform investigative procedures. They are not permitted to treat patients in vitro or undertake animal/ plant studies or conduct Laboratory/ field work. In case the clinical material or records or data is required, they shall collect it from authorized or Licentiate Health Professional Clinical Practitioners. They are not permitted to undertake human invasive methods.
 - ii) The Ph. D. degree to be awarded to those pursuing interdisciplinary research be given Ph. D. with a nomenclature as “Ph.D. in Interdisciplinary Subject under Allied Health Sciences Faculty” mentioning the original subject of PG studies followed by the subject of study at Ph. D. in bracket. eg. Ph. D. in Interdisciplinary Subject under Allied Health Science Faculty (Botany- Biochemistry) or (Agriculture - Biotechnology) etc.
- B) Candidates are eligible for applying Ph.D. program in this University, having passed Post Graduate Degree (Master Degree) in concerned subjects as listed above with at least 55% marks or its equivalent in grade points as mentioned under eligibility conditions.
- C) A relaxation of 5 % marks from 55% to 50% may be allowed for those belonging to SC/ST/DT/NT/SBC/OBC (Non - Creamy Layer) differently - abled and other categories of candidates as per the decision of the UGC from time to time, or for those who had obtained their Masters Degree prior to 19th September, 1991. The Eligibility marks of 55% and the relaxation

of 5% marks obtained in qualifying examination without grace marks is permissible to the categories mentioned above.

- D) Post Graduate Degree obtained through distance education from the Open University will not be considered.
- E) In case of student with PG in interdisciplinary subject applying for Ph. D. in concerned/ cognate subject and if question arises about the faculty or any other thing related to his/ her subject, Committee for Equivalence of PIMS (DU) will take the appropriate decision in consultation with Vice Chancellor.
- F) Candidate possessing SET, NET, GATE and M. Phil will be exempted from Entrance Examination.

3. Duration of the Program:-

The candidate registered for the Degree of Doctor of Philosophy (Ph.D.) shall have to undertake research work for minimum period of three years from the date of registration. However, candidates with MD/ MS/ DNB/ MDS/ DM/ M. Ch. Qualifications. The period of research work shall be of Two years.

The maximum period of research shall not exceed Six years for full time candidates.

4. Recognized Institutions for Ph.D. Degree:

Every candidate who has registered for the Degree of Doctor of Philosophy (Ph.D.) shall pursue research under the supervision of a Guide in any one of the following Departments/ Institutions, which are recognized by this Deemed to be University. They are:-

- i. Any Department of this University.
- ii. Postgraduate Departments of recognized Universities established and run by state or central Government situated within the country having necessary facilities for carrying out research in the branch of study concerned provided the Department has been offering the postgraduate course for a minimum period of Three years.
- iii. All India Research Institutions, Regional Research Institutions or any other Non-teaching Research Institution / Industries established and run

by State or Central Government having necessary facilities for carrying research in the branch of study concerned and approved by this Deemed to be University for requirements.

For the purpose of granting recognition to an institution [Research centers to carry out Ph. D. work covered under regulations = (4(ii), 4(iii)) above, the request (in prescribed proforma, with prescribed fees for recognition as Research Centre for Doctoral work) the Expert Committee shall ensure the compliance of the provisions given in UGC regulations for the recognition of Research Centers made by such institution will be considered for recognition by Deemed to be University based on the onsite visit and recommendations of University Expert Committee; a decision will be taken by the Vice-Chancellor taking into account the research facilities available therein.

5. Procedure for Admission:-

The CET section of Pravara Institute of Medical Sciences (Deemed to be University) will conduct the All India Ph. D. Entrance Test and announce the Results.

- a. Admission to Ph.D. program shall be made after inviting applications for entrance examination through notification issued by the Registrar of PIMS-DU once in a year.
- b. PIMS-DU will decide on an annual basis through their academic bodies a predetermined and manageable number of Ph.D. scholars to be admitted depending on the number of available research supervisors (scholar - teacher ratio as per UGC norms) and other academic and physical facilities available.
- c. Applications for entrance examination shall be made in the prescribed forms, which shall be available on the university website (www.pravara.com) or at the Accounts Office of the PIMS - DU.
- d. The duly filled in application forms and receipt of prescribed fees paid receipt shall be submitted to the Registrar office of PIMS - DU on or before the last date of receipt of application mentioned in the notification.

6. Pattern of the Entrance Examinations:-

- a) For Entrance Examination, there would be two papers i.e. Paper - I and Paper - II.

Paper - I would be based on Research Methodology for 100 marks.

Paper - II would be Subject (specialty) wise for 100 marks.

Table No: 1 Scheme of Examination

SN	Papers	Subject	Pattern	Marks	Total
1	Paper: I	Research Methodology	MCQs	100	100
2	Paper: II	Subject Specific	MCQs	20	100
			LAQ (3X20)	60	
			SAQ (2X10)	20	
			Total	200	200

Note: The University may change the pattern of Entrance Test and Question paper based on need. However, when such change is made, it shall be informed to students applied in advance.

- b) The syllabus for Paper I Research Methodology shall be as prescribed by UGC / PIMS (DU) from time to time and the syllabus for Paper II shall be specific to the respective subject and will indicate the nature of theoretical questions and weightage to be given on various components of theory questions. The syllabi of various papers covered under different Boards and Faculties will be decided by the teachers of the respective Subject/Board of Studies of the constituent institutes of the University and the same will be notified at least 30 days before the date of the Entrance examination.
- c) **Standard of Passing:** Candidate has to pass separately in Paper I and II. The passing percentage will be 50% in each paper. (45% of passing for candidates belonging to SC/ST/DT/NT/SBC/OBC categories). The list of successful candidates will be declared faculty wise on the University website.
- d) The result will remain valid for the registration in the same academic year only.

- e) The successful candidates at Entrance examination for Ph. D. program shall have to appear for the interview before the Research Advisory / Doctoral Research Committee:

Sr. No.	Designation	
1.	Dean of Concern faculty	Chairman
2.	Dean of all faculties	Member
3.	Director of Research, PIMS (DU)	Member
4.	Advisor and Coordinator, Ph. D. Cell, PIMS (DU)	Member
5.	Head of Department Concerned Dept.	Member
6.	Registrar/ Deputy Registrar/ Assistant Registrar	Convener

- f) All such candidates successful in PIMS - AIPET will be informed by PIMS (DU) to appear for an interview on a specific date and time. Such candidates will be interviewed by Research Advisory/ Doctoral Research Committee mainly on the knowledge of candidate in the subject and his/her aptitude for research in particular and the interest in research topic and feasibility to carry out the work at PIMS - DU.
- g) Based on the combined merit of PIMS - AIPET cum interview performance (70:30 weightage or as per UGC norms notified) the merit list shall be prepared.

7. Admission/Registration after the interview:-

- i. All the selected candidates as per merit list for the Ph.D. program shall apply to the Registrar, PIMS - DU in the prescribed application form along with the registration fee as may be prescribed from time to time, ordinarily within a period of one month from the date of selection to Ph. D programme.
- ii. The selected candidate shall submit along with the application eight copies of his/her Ph.D. proposal/ plan of work as per the Guidelines to the Ph. D. Cell (ANNEXURE -II).
- iii. The selected candidates (based on the vacancies with available guide) will be permitted to submit the applications for the consideration of their provisional registration and shall be required to make a brief

- presentation on the date and venue fixed by PIMS (DU) before Research Advisory/ Doctoral Research Committee.
- iv. The presentation will be arranged by the Academic Section (Ph. D. Cell) of the University on a date suggested by the Research Advisory/ Doctoral Research Committee. After satisfactory presentation, the Committee will prepare a report on the basis of presentation and allotment of the Research Guide. In case of any suggestions given by the Committee for improvement of topic, the candidate shall make changes accordingly and present the topic again before the said Committee within fifteen days of the earlier presentation.
 - v. The Research Advisory/ Doctoral Research Committee shall finalize the list of approved candidates for provisional registration and the candidate shall be given provisional admission/registration letter (ANNEXURE - III). In the event of any representation so made the Vice Chancellor in consultation with Dean and Guide will take appropriate decision.
 - vi. The Guide shall be allotted by the Research Advisory/ Doctoral Research Committee only. It is not the prerogative or choice of either the candidate or the guide.
 - vii. The Research Advisory/ Doctoral Research Committee shall consider approval of the topic of Research and appoint, in case of inter-disciplinary subjects (or if the applicant prefers to work at recognized Research institutions/ centre), co-guide/s recognized by the University.
 - viii. There is no provision for Self Guide
 - ix. Candidate has to seek Technical and Financial Committee approval and approval of Ethics Committee for clearance for her/his research project for confirmation of registration to Ph. D. Course (within 2 months from the date of approval by Research Advisory/ Doctoral Research Committee).

- x. The date of Confirmation of Registration shall be the date of confirmation of Ph. D. topic by Ethics Committee of the University (ANNEXURE - IV).
- xi. If the candidate desires, he/she can partially modify the title and the proposed plan of the research provided the candidate seeks technical and ethical approval from Directorate of Research of PIMS-DU. Ph. D. Research Committee and the Research Advisory/ Doctoral Research Committee concerned shall approve such changes on the recommendations of the Guide and the Head of the Place of Research, subject to other provisions.
- xii. The entire procedure for provisional Ph. D. admission shall be as per academic calendar announced by Academic Section. The selection and admission procedure shall be completed within 90 days of Notification. The first term of Research work will be given w.e.f. first of January of the year.

8. Allocation of Supervisor (Guide):

A) Eligibility criteria for a Research Supervisor, Co- Supervisor, Number of Ph.D. scholars permissible per Supervisor are as follows;

- i. Any regular Professor of the University/Institution Deemed to be a University/College with at least five research publications in refereed journals.
- ii. Any regular Associate/Assistant Professor of the university/institution deemed to be a university/college with a Ph.D. degree and at least two research publications in refereed journals may be recognized as Research Supervisor.
- iii. In the areas/disciplines where there is no or only a limited number of refereed journals, the Institution may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing. Only a full time regular teacher of the concerned University/Institution Deemed to be a University/College can act as a supervisor. The external supervisors are not allowed. However, Co-

Supervisor can be allowed in inter-disciplinary areas from other departments of the same institute or from other related institutions with the approval of the Research Advisory Cum Doctoral Research Committee.

- iv. Any expert or scientist working in the recognized Research Institution or Health Science Industry, having Ph. D./ MD/ MS/ MDS qualification in the concerned specialty with ten years research experience and should have published at least five research Papers as a first author in National and International Indexed journals, can be recognized as a co-guide.
- B) The recognized guide shall officiate up to the age of 67 years and he/ she shall not enroll new candidates after the age of 67 years in case of Medicine and Dentistry faculty and 65 years in case of other faculties.
- C) After the retirement of Guide/ Supervisor, if both supervisor and research scholar or the research scholar desires to change the supervisor he or she may be permitted to do so provided the previous supervisor and the new supervisor have no objection. This is applicable provided the supervisor / Ph. D. scholar has sufficient rational ground to do so, which may be approved by the Vice Chancellor on the recommendation of Research Advisory/ Doctoral Research Committee.

In case of retirement or transfer of research guide if the candidate has almost completed the research work and already fulfilled the requirement of progress reports (submission of at least more than six reports, Pre submission collegiums due or cleared) the said teacher may be continued as a guide if he/ she has no objection to it.

In case the candidate is yet to complete research work or has submitted less than four progress reports, in this case change of guide be allowed provided that the candidate has to work for a minimum of one year (two progress reports or a total of minimum six progress reports) before submitting the Pre. Ph.D. collegiums /presentation. In all other extra ordinary cases, the decision of Vice Chancellor is final, on the recommendation of Research

Advisory/ Doctoral Research Committee, however due opportunity of hearing to candidate or Guide, be given to justify their stand.

- D) In case of topics of inter- disciplinary nature where the Head of the Place of Research and Guide feel that the expertise in the Place of Research has to be supplemented from outside, Head of the Place of Research& Guide/ Supervisor may recommend a Research Supervisor from the Place of Research itself or from reputed and recognized Universities/ Institutions as co-guide, provided that he/ she fulfills the eligibility of the Ph. D. Guide.
- E) The allotment/ allocation of Research Supervisor (Guide) shall not be left to the individual candidate or guide only. An approved supervisor will be a faculty member of the PIMS – DU constituent units in the subject concerned or Cogent. Normally a candidate shall be required to complete her/his doctoral research under the supervision of the guide allotted to him/her.
- F) A Research Supervisor who is a Professor, at any given point of time, cannot guide more than Eight (8) Ph.D. scholars. An Associate Professor as Research Supervisor can guide up to a maximum of six (6) Ph.D. scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph.D. scholars.
- G) A new guide shall be allotted to a research scholar in case the original supervisor leaves for abroad or leaves the institutions or he/she is not available for any other reasons to guide the student. The Research Advisory/ Doctoral Research Committee recommends for change of guide on the production of a 'No Objection Certificate' from the first guide (if available) and an acceptance letter from the new guide to the Vice Chancellor for approval.
- H) In case of such a change, the candidate shall work for a minimum period of one calendar year under the new guide before he/she submits the Pre. Ph. D. collegiums and synopsis subject to acceptance of minimum six progress reports. A 'No Objection Certificate' (NOC) will not be required if the candidate justifies the non-availability of his guide. The justification will have to be endorsed by the Head, Place of research. In case of any dispute/problem, non-availability of the guide, the Vice-chancellor on

recommendation of the Dean of the Faculty concerned, will take an appropriate decision.

- I) In case the candidate who has worked under the Guide/ Supervisor for Three years and has submitted Six progress reports, and the Research Guide having left the institution due to any acceptable reason, he can continue to Guide the student provided he declares so in writing, till the completion of work and declaration of result.
- J) In any case, a candidate cannot work under a supervisor who is his/her kith and kin.
- K) In case of a dispute between a candidate and his guide, the Committee consisting of the following shall examine the matter and report to the Vice Chancellor, whose decision shall be final.
1. Dean of the Faculty concerned - Chairman
 2. Nominee of the Vice Chancellor - Member
 3. The Head, Place of Research [If the complaint is against Head/the Dean, he/she shall not participate in the proceedings of the meeting. In that case, additional member/s may be appointed by the Vice Chancellor to replace Head/ Dean. - Member
 4. The Director Research - Member
 5. PIMS (DU) Research Coordinator - Member
 6. Deputy Registrar/ Assistant Registrar Academic - Convener
- L) The report shall include, among other things, specific recommendations as per format.
- M) The candidates who have been intimated about their selection for Ph.D. program shall have to report the Dean/Director/Principal of the college concerned where the department exists (through the supervisor concerned and Head of the Department) after paying the prescribed fees from time to time.
- N) If any candidate submits the thesis or cancels his/her registration, a position falls vacant with the supervisor.
- O) There can be a provision for co- supervisor/ guide in case of interdisciplinary research.

9. Course work, leading to Pre. Ph. D. examination:

The course work is compulsory: All candidates admitted to the Ph.D. program shall complete the course work prescribed by the department during the initial one to two semesters.

Concerned Head of Department and Guide are responsible to get the Course work done from the Ph. D. students admitted under their department and submit the report to that effect to the Registrar after completion of course work.

Candidates already holding M. Phil degree and admitted to the Ph.D. programme and those who have already completed the course work in M. Phil and have been permitted to proceed to pursue the Ph.D., may be exempted by the Department from the Ph.D. course work.

The candidate registered for the Ph.D. program shall be available in the department of study during the Ph. D. programme and the head of department along with Guide/ Co- Guide shall maintain their muster roll in the department.

A candidate shall ordinarily work in a recognized place of research including the University Departments, Research Institutes recognized by the University.

- i. Admitted candidates shall be required to undertake course work organized by Department. The course work shall be treated as pre Ph.D. preparation. The University shall decide the minimum qualifying requirement for allowing a candidate to proceed further.
- ii. The research scholar has to undergo around 60 hours for Research Methodology/ teaching/ learning/ interactive sessions which include research methodology, quantitative methods, computer application, tools and techniques including instrumentation, communication skills, seminar presentation and review of published research and microteaching.
- iii. The research scholar has to undergo 60 hours (Four Credit) for subject specific teaching/ learning/ interactive sessions/ research methodology (in detail) and statistics course work, and advance techniques.
- iv. The research scholar has to undergo 60 hours (Four Credit) for field work, seminar (hard Copy) and other academic activities planned and carried out

by the respective departments, and the necessary documents shall have to be submitted to the Registrar of PIMS – DU.

- v. The candidate registered for Ph.D. program should give a minimum of two (2) seminars and one Report on systematic review of literature related to topic as a part of course work before the completion of one year (i.e. two progress reports).
- vi. The formative evaluation of the researcher will be done by the Head of the Department and the Guide of the candidate where he/she is carrying out research work and the report should be send to Ph.D. Cell of the University within 15 days after the formative internal evaluation.
- vii. The candidate should publish at least two research papers related to the Ph.D. title in a peer reviewed, referred, indexed journals (in Scopus, Pub med, Medline, Embase, Index Copernicus, Index Medicus) before submission of thesis. The candidate should quote the affiliation address (Name of the Department, Constituent Institute and University i.e. PIMS – DU) in the publications, and should produce the certificate of publication/reprint of the articles published from the PIMS – DU Directorate of Research. This is a mandatory condition before the candidate is permitted to submit the synopsis followed by thesis.

10.Pre Ph.D.-Examination, after the course work:

- a) The candidate admitted to Ph.D. program shall have to appear for Pre Ph.D. examination.
- b) Pre Ph.D. examination shall be conducted after six months from the date of registration, once in six months.
- c) The Head of Department should conduct the Pre Ph.D. examination, and the candidates who do not pass the pre Ph.D. examination in maximum 3 attempts, the registration shall be considered as cancelled automatically.
- d) The pre Ph.D. examination for all the faculties shall consist of examination in two theory papers (Paper – I and Paper – II). The syllabi for the papers shall be approved by the respective Faculty/Dean and Directorate of Research.

Paper - I would be Research Methodology and Basic Statistics of 100 marks with 10 long answer question (LAQ).

Paper - II would be Subject wise/Faculty wise test (decided by the *HOD*, Guide and the teachers of the respective subject. of 100 marks with 10 long answer questions (LAQ). There may be sub question in the main question.

- e) Researcher has to appear for Paper - I and II and has to pass separately with minimum of 55% mark in each Paper. If the researcher fails in a paper, he/she has to appear only in that paper in the next Pre. Ph. D. Examination.
- f) Pre. Ph. D. Examination structure:

Sr. No.	Paper No.	Total hours and credit	Title of Paper	Max. Marks	Minimum marks for passing	Duration of Exam	Question Paper Pattern
1	I	60hr (4 credit)	Research Methodology and Statistics	100	55	3 hrs	10 LAQ (10 marks each) One LAQ may have 2 Sub Question.
2	II	60hr (4 credit)	Subject Specific paper and Topic Specific paper	100	55	3 hrs	10 LAQ (10 marks each) One LAQ may have 2 Sub Questions. Out of 10 LAQs, (10 th one shall be Topic related i.e. it will be choice for each candidate).

Duties and Responsibilities:

Director of Research University/ Centre/ Institute: To conduct sessions on Research Methodology and Statistics.

HOD and Ph. D. Guide: Teaching/ discussion 60 hours of paper II, Lectures, Seminar assignments. Documents of the same shall be submitted to the Chairman Pre. Ph.D. Examination Committee within time schedule. It shall also be maintained at Academic Section and at the Department.

HOD and Guide shall issue a Certificate for the completion of task assigned (Two Seminar Presentations and one Report on detailed review of literature).

11. Research Advisory/ Doctoral Research Committee:

There shall be a Research Advisory Committee/ Doctoral Research Committee for Ph.D. scholars, its composition is as follow;

- | | | |
|-------|---|-----------|
| i. | Concerned Dean will preside over the Meeting | -Chairman |
| ii. | Deans of all faculties | - Member |
| iii. | Director of Research, PIMS (DU) | - Member |
| iv. | Advisor and Coordinator, Ph. D. cell, PIMS (DU) | - Member |
| v. | Head of Department Concerned | - Member |
| vi. | Ph. D. Research Guide concerned | - Member |
| vii. | One Internal Subject Expert (other than Ph. D. Guide) | - Member |
| viii. | One External Subject Expert | - Member |
| ix. | Registrar/ Deputy Registrar/ Assistant Registrar | -Convener |

[Note:- External Subject Expert to be called at the time of Pre Ph. D. presentation for granting permission to submit the synopsis]

This Committee shall have the following responsibilities:

- a. Committee will meet compulsorily at least once in six months on a given day according to faculty and subject and specially when required to conduct specific work as per University circular/ letter.
- b. Conduct interview of the successful candidates in PIMS - AIPET for Ph. D. admissions, make selection of candidates and allot suitable guides. Further it has to review the research proposal and finalize the topic of research.
- c. Guide the research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.
- d. Periodically review the six monthly progress reports and assist the research scholar in the progress on his/ her research work.
- e. A research scholar shall appear before the Research Advisory/ Doctoral Research Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The reports

- shall be submitted by the Research Advisory/ Doctoral Research Committee to The Registrar, PIMS (DU).
- f. In case the progress of the research scholar is unsatisfactory, the Research Advisory/ Doctoral Research Committee shall record the reasons thereof and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory/ Doctoral Research Committee may with specific reasons recommend for cancellation of his/her registration.
 - g. To take appropriate measures with respect to allotment of Guide/ Change in Guide/ appointment of co- guide.
 - h. There shall be a Research Promotion Board/ Research and Recognition Committee of PIMS (DU) as per bye laws to provide with policy of PIMS (DU) on promotion and review of research activities and output.

12. Progress report and their Monitoring:

- i. All the registered candidates shall have to submit an elaborate progress report for every six months in prescribed proforma to Registrar of the University through their research Guide and HOD (ANNEXURE - V).
- ii. If a candidate fails to submit two reports consecutively, his/her registration may be treated as cancelled on the recommendation of the Research Advisory/ Doctoral Research Committee, based on the report of Head and Dean of the Faculty concerned as well the Guide and the same shall be communicated to the candidates by the Academic section.
- iii. The Academic section Ph. D. cell shall place the half yearly progress reports of the research students before Research Advisory/ Doctoral Research Committee, once in six months to scrutinize/assess the work performance of the research scholar.
- iv. The Committee shall scrutinize the progress reports and prepare a brief statement on the progress of the candidate including suggestions w.r.t. modification of report and resubmission of the same, if any or rejection of the report with justification. In case of dispute, the Dean of the Faculty concerned shall take final decision. The Head, Place of Research shall

- maintain the record of these reports and statements and a copy each marked to the office of Registrar for documentation.
- v. Candidate has to exhibit, the collected data and log book of his/her work duly signed by the Guide on demand by the Committee.
 - vi. The researcher has to pay the necessary fees prescribed and notified from time to time every year/ semester.
 - vii. The Committee may accept six monthly progress reports / reject it/ direct the candidate to slightly modify the work.
 - viii. There shall be a minimum of six progress reports to be accepted by Research Advisory/ Doctoral Research Committee as satisfactory, before the candidate is permitted on his/ her request to give Pre Ph. D. collegiums before the Committee.
 - ix. The Committee may direct the candidate to work beyond six terms/ three years and submit progress reports to that effect till the Committee records in writing that the work carried out as per progress report of the candidate is satisfactory and has sufficient grounds to allow him / her to submit it to Pre Ph. D. collegiums and after its successful completion, permit the candidate to submit synopsis.
 - x. The candidate shall pay the fees for all the terms till he/ she is permitted to submit the thesis by the Committee.

13.Submission of Thesis:-

- i. At least three months before the possible date of submission of the thesis, and after the minimum prescribed mandatory period based on the permission of the Research Advisory/ Doctoral Research Committee to compile the completed research work and to give Pre. Ph. D. collegiums, candidate shall give a Pre Ph. D. presentation to be arranged by the Ph. D. Cell at the Place of Research on the request of the candidate duly endorsed by the guide.
- ii. The details of research work, review of relevant literature, aims and objectives, and action plan of work carried out and the final plan of the thesis will be presented by the research scholar before Research Advisory/

Doctoral Research Committee and the same may remain open to all faculty members and students. The Research Advisory Committee will ensure that the suggestions/corrections/comments given at the time of presentation shall be incorporated in the synopsis and thesis by the candidate. When needed the Research Advisory/ Doctoral Research Committee shall meet again to review the presentation of the candidate to ensure incorporation of all the suggestions and corrections. Further the Committee shall certify the incorporation of the suggestions and corrections made by it Pre. Ph.D. at the time of presentation.

- iii. The Special Invitees, External subject experts, faculties and interested research scholars be invited for Pre-Ph. D. Presentation.
- iv. The submission of draft synopsis may be permitted only after successful completion of Pre Ph. D. Presentation and certificate by Guide (ANNEXURE - VI), HOD, Dean, and Research Advisory / Doctoral Research Committee that all the suggestions given are incorporated. The draft synopsis should contain introduction, chapter wise brief account of the work done and overall conclusions.
- v. In the light of the discussion during the Pre Ph. D. presentation mentioned above, the candidate shall submit fifteen (15) copies of the final synopsis of his/her thesis to the Registrar through his/her guide within three months from the date of presentation of pre Ph. D. presentation and Research Advisory / Doctoral Research Committee certification. The guide in consultation with HOD and Dean will then recommend list of referees/ experts (eight from within state and eight from outside state who are approved Ph. D. guides) through the HOD, HOI and Dean to the Academic Section for approval of examiners by the Vice Chancellor of the University.
- vi. The synopsis will be referred to at least Ten (10) External Examiners (outside state five and five external examiners within the state) (who are also Ph. D. Guides) from the panel, approved by the Vice Chancellor. Experts be requested to give suggestions, modifications/ additions/ deletion, reinterpretation etc. and finally their recommendation whether to accept the synopsis or not (with or without modification). The candidate be

instructed about the corrections to be made and modifications needed as per the observations of external experts. If minimum six experts out of ten approve and accept the synopsis, the candidate may be permitted to submit the thesis (in four copies) as per prescribed norms.

- vii. The candidate shall be allowed to submit his/her thesis (ANNEXURE – VII) within three months from the date of permission granted to submit thesis, failing which the candidate will have to pay the prescribed fine for late submission. Late submission of thesis shall be allowed up to the completion of one year from the succeeding day of last date of regular submission of the synopsis or till the expiry of the registration period, whichever is earlier.
- viii. The thesis shall be submitted in compact bound form along with a soft copy (CD). Along with the thesis, five copies of the abstract shall also be submitted.
- ix. The final thesis shall be presented in accordance with the following specifications:
 - a. The paper used for printing shall be of A4 size bond paper.
 - b. Printing shall be in a standardized form on one side of the paper and in 1.5 line spacing; font: Times New Roman, font size 12.
 - c. A margin of 1.5 inches shall be on the left hand side.
 - d. The card for cover shall not be thick more than 330 GSM.
 - e. The title of the thesis submitted for the Award of Ph. D. in subject, faculty, name of the candidate, degree, name of the guide and the month and year of submission along with name of the Department and Institution & University shall be printed on the title page and the front cover.
 - f. The hard-bound thesis cover shall be of Deep Bluecolor. Spine of the binding [side cover] should mention 'Ph.D. Thesis' on the top, Name of the Candidate and Month and year and PIMS (DU).
 - g. The reference and bibliography of the thesis be written in Harvard style.
 - h. The candidate shall submit to the Registrar four copies of his/her thesis (one copy to be kept for self) through proper channel (Guide – Head of Dept. – HOI- Registrar) and keep the letter submission duly signed by

Guide, HOD and HOI an acknowledgement of the receipt of thesis by the Research Guide and the Head, Place of Research.

- i. The thesis shall include a certificate of the guide (ANNEXURE- VIII) and a declaration by the candidate (ANNEXURE- IX) that the work reported in the thesis has been carried out by the candidate himself/herself and data not submitted to other university for any other Degree/ Diploma and that the material from other sources, if any, is duly acknowledged, apart from copy of Ph. D. registration, Ethics Committee and Technical Committee clearance certificate, certificate from MRD (for verification of Hospital Data , clinical material and patient data used by student) regarding the details of clinical cases used in the present study duly signed by Head of MRD and certificate from Chairman Animal House and Animal Ethical committee (in case of animal experiment/ methodology).
- j. The Ph. D. thesis submitted for examination have to go through anti plagiarism check, (should not be >10% limit) with the verification certificate mentioning the software used from his/her research guide (ANNEXURE- XIII), endorsed by Director Research of PIMS (DU).
- k. Along with the thesis, the candidate has to submit the proper receipt showing that the prescribed examination fee has been paid as notified by the University, and a 'No Dues Certificate' (NOC) [from Institute, Department, Finance, Hospital, Library and support services and facilities] has been obtained & submitted.

14. Evaluation of the Thesis for the Acceptance of the Ph. D. Thesis:-

- i. The procedure for the appointment of examiners shall be undertaken soon after the candidate submits his/her synopsis.
- ii. The examiners will be selected by the Vice Chancellor from the approved panel to whom the synopsis was submitted, as forwarded by the Research Advisory/ Doctoral Research Committee.
- iii. The thesis would be sent to three examiners: one internal examiner (Guide of the candidate) two external examiners (who are PG and Ph. D. Guides)

preferably one from within the state and one from outside the state. The Deemed to be University may also prefer examiners from foreign countries based on the circumstances. The examiners will submit the report of recommendation to the Registrar in the prescribed format (ANNEXURE – X) along with a duly signed report on the thesis.

- iv. The Registrar will seek the reports from the examiners within three months from the date of receipt of the thesis by the examiners in duly filled in printed proforma and duly signed proforma & report on the thesis.
- v. When all the three reports are favorable and recommends for the acceptance of the thesis, then the University shall proceed further for conducting Viva Voce. In case any of the examiners suggests correction or modification on the presentation of thesis, then the candidate shall be instructed to comply with the same and resubmit the thesis. In case the examiner(s) seek clarification and or explanation, then the candidate shall comply with it within the specified duration/ time.
- vi. In case one out of two external examiners give unfavorable report, then the Registrar of the University shall get the thesis examined by an additional examiner from the panel of examiners approved by the Vice Chancellor. If the additional examiner also gives an unfavorable report, the candidate will be declared to have failed and in case both the examiners give unfavorable report then the thesis will be rejected
- vii. The Viva Voce for the thesis will be called for after the receipt of all three favorable reports from the examiners.

15.Viva Voce Committee:-

- i) The Chairman for the Viva-Voce and the Panel of members to adjudicate the defense of the thesis shall be appointed by the Vice Chancellor preferably from the list of the panel experts, the experts who have evaluated thesis or in case of non-availability of three of them, two experts from the panel suggested by the guide approved by Vice Chancellor through HOD/ HOI and Dean. The Viva Voce committee shall include

Dean, HOD and Two external referees and Research Guide preferably Dean to be extra Chairman of the Committee.

- ii) The day, date, time and the place for the Viva Voce and the defense of thesis shall be notified by the Registrar of the University at least fifteen days in advance. Normally, the Viva Voce and the defense of the thesis shall be arranged in the University.
- iii) The defense of the thesis shall take place in the presence of the Guide cum Internal Examiner, Two External Examiners, Dean and the HOD/ Chairperson, who shall jointly evaluate the performance of the candidate. Dean shall preside over the viva voce test and examination. In case of dispute, the Research Advisory/ Doctoral Research Committee shall take an appropriate decision in consultation with Vice Chancellor. The decision of Vice Chancellor shall be final and binding on all.
- iv) The examiners present for the viva-voce and the defense of the thesis shall submit to the Registrar their final consolidated report (ANNEXURE-XI) along with the reply given to the queries raised by the external examiners (if any) in the written form, signed and accepted by the members of the Viva-Voce Panel, and a list of the persons attending the open defense (ANNEXURE-XII), in respect of the award of the Ph. D. degree immediately after the defense is over.

16. Acceptance/ Rejection of the Thesis for Award of Ph. D. Degree:-

- i) The University shall notify the acceptance of the Thesis by the University (submitted by the candidate and successfully accepted by Examiners and Viva Voce committee) for the award of Ph. D. in the specified topic, subject and faculty. Provisional Certificate may be issued to the candidate and the Degree will be awarded and conferred in the Annual Convocation.
- ii) In case the defense is not satisfactory, the examiners may unanimously recommend with reasons that a fresh Viva-Voce and defense of the thesis be organized within two months after the initial not satisfactory report. If

the defense is still not satisfactory, the Committee would record the reasons for the same. The Committee may recommend the resubmission of the thesis with suggested changes or recommend the rejection of the thesis.

- iii) If the thesis of a candidate is rejected, he/she may be permitted to register himself/herself afresh for the Ph.D. program and he/she shall be exempted from entrance test and passing the Pre Ph.D. examination based on the recommendations of examiners.
- iv) A copy of every Ph.D. thesis along with electronic version for which the degree has been awarded shall be placed in the University library. The thesis shall be the joint property of the student, supervisor and the PIMS - DU University for the purpose of intellectual property rights.
- v) Patent/ Copy right if any PIMS should be integral part of it.

17. Depository with INFLIBNET:

- i. Following the successful completion of the evaluation process and before the announcement of the award of the Ph.D. degree, the Institution concerned shall submit an electronic copy of the Ph.D. theses to the INFLIBNET, for hosting the same so as to make it accessible to all Institutes/Colleges.
- ii. Prior to the actual award of the degree at the annual convocation, the PIMS-DU shall issue a Provisional Certificate to the effect the candidate has been found eligible for the award of Ph. D. Degree and will be awarded in accordance with the provisions of these UGC Regulations, 2009 and 2016. The overall result shall be officially declared by the Registrar within fifteen days from the date of the receipt of the favorable report on the Viva Voce and defense of the thesis.

18. Cancellation of Ph.D. registration:-

The Vice Chancellor may cancel the admission of a candidate on the recommendations of the respective Guide/ Dean, under the following circumstances:

- i. On the scholar's own request.
- ii. Where the progress has been reported to be continuously unsatisfactory for continuous two progress reports/non submission of two consecutive of six monthly progress reports.
- iii. Where the candidate discontinues his/her research work without prior intimation to the Registrar, through the Dean of the Faculty, HOI, HOD and the Guide.
- iv. Where the candidate has taken up employment/admission to any other University/Course (without prior permission) and left the place of working.
- v. Where the candidate does not comply the rules of pre Ph.D. examination within the prescribed time.
- vi. Where the candidate does not submit the thesis within the prescribed period (maximum 6 years) and do not seek extension as per rules.
- vii. Where the candidate does not follow the rules and regulations of PIMS - DU.

19. Scope for Re-registration:

Those candidates who had cleared All India Entrance Test for admission to Ph. D. for the registration of Ph. D. and for valid reasons discontinued the Ph.D. work may seek registration for Ph. D. at PIMS (DU) by submitting the duly filled application as per the academic scheduled notification of PIMS (DU) for Ph. D. admission. However they will be exempted from Entrance Test but have to complete the other formalities i.e. application, payment of processing fee, presentation before committee, allotment of Guide and clearance from the Research Advisory cum Doctoral Research Committee, Technical and Ethical Committee.

20. Fees:

The candidates selected for admission to Ph.D. program have to pay the tuition fee and other fees notified by the University from time to time up to final thesis submission.

21. All the amendments to Ph. D. regulations issued by UGC to the UGC Regulations governing Ph. D. programmes dated 2016 are deemed to have been incorporated into the PIMS (DU) regulations through an administrative notification.

22. Saving Clause:

In the event of any discrepancies in the interpretation and implementation of these regulations, the decision of Vice Chancellor shall be final.

The Registrar
Pravara Institute of Medical Sciences
Loni – 413 736 - (INDIA)**

Dear Sir

I hereby apply for admission to the Ph.D. Degree. I state that I have not been admitted as a student for this or any other Degree in this or any other University. The required details about myself are as follows:

- 1 Name in full (in Capital Letters) : _____
(as in degree certificate Beginning (Surname) (Name) (Father/Husband) (Mother's Name)
with Surname)
Mothers Name: _____
- 2 Date of Birth(DD/MM/YY) :
- 3 Gender : Male / Female / Transgender
(Strike out whichever is not applicable)
- 4 Nationality : _____
- 5 Cast : _____

- 6 Permanent Address : _____

- 7 Address for communication : _____

- 8 I belong to the category mentioned below (Please Tick the appropriate box & attach attested copy of caste certificate) :

1	2	3	4	5	6	7	8	9
Open	SC	ST	DT(A)	NT(B)	NT(C)	NT(D)	OBC	SBC

- 9 Present Occupation / Employment :
 (Give Name and Address of the Employer)
- 10 Particulars of Degree previously obtained (attach attested copies of statement of marks and certificates):

Degree	University	Year of Passing	Subjects Offered	Class/Grade	Percentage/Grade Points
Bachelors Degree					
Masters Degree					
M Phil Degree					
Any other Degree/Diploma					

- 11 Particulars of Publications if any :

Title of Paper/Book	Name of Journal/Publisher	Place and Year of Publication
1.		
2.		
3.		

- 12 Details of Teaching Experience if any:

Name of College	Subject(s) Taught	Year(s)

13. Details of Professional experience, if any (Attach necessary Certificate) :

(i) Nature of Professional Experience:

(ii) The Institute where Professional experience was gained:

(iii) Period of Professional experience:

13. (i) Title of M. Phil. Dissertation, if applicable:

(ii) Is the Proposed topic of Doctoral Research related to or an expansion of the M. Phil. Dissertation? : Yes / No

14. Name of the Research Guide: _____

(Under whom I propose to work for my Ph.D.)

Address :

Email. :

Mobile :

15. Name of Co-Guide, if any: _____

Address :

Email. :

Mobile :

16. Name and address of the approved Place of research (where I desire to Do Doctoral Research):

All the particulars given above are true to the best of my knowledge. I have read the rules for the Degree of Doctor of Philosophy (Ph. D) and I undertake to abide by them. I also undertake to regularly report at the place of Research unless otherwise permitted by the Head, Place of Research on the recommendation of the Research Guide.

Eight copies of the research outline (as per Appendix - II of the Rules) and a Xerox copy of the registration fee receipt are enclosed.

Thanking you,

Yours sincerely,

Name & Signature of applicant

Appendix – II**Submission of Research Proposal**

Along with the application form (for Registration) the researcher has to submit eight copies of his/her proposed plan of work as per the proforma given below.

Proforma for Proposed Plan of Work for Ph. D.

1	Name of candidate and address (In block letters)	
	Moble No-	
	Email ID	
2	Name of institution to carry out the work	
3	Weather collaboration with other department/institute is required if yes mention the details	
4	Faculty and subject	
5	Financial requirement to complete work (in terms of chemicals, purchase of new instruments, visit to other places etc.)	
6	Weather any special training is required? If yes mention the details	
7	Title of the topic *subject to approval by ethics and technical committee and finance committee	
8	Name of guide (with educational qualifications) and address-in required cases only	
	Mobile no	
	Email	
9	Name of co-guide(with educational qualifications) and address-in required cases only	
	Mobile	

	Email	
10	Brief Summary Of Proposed Work (attach proposal copy)	
10.1	Need for study	
10.2	Review of literature	
10.3	Aims and objectives of study	
10.4	Materials and methods	
	(10.4.1) materials	
	(10.4.2) equipments	
10.5	Methods (describe in details)	
11	List of references with titles	
12	Does the study require any investigation or intervention to be conducted on patients or other Humans or animals? If so, please describe briefly. *Clearance from IAEC is necessary (Attach certificate)	
13	Signature of candidate	
14	Remarks of co guide and signature	
15	Remarks of guide and signature	

I have gone thoroughly the UGC and the PIMS, DU, Minimum Standard and Procedure for Award of Ph.D. Degree - Regulations – 2018.

I shall abide the rules and regulations amended from time to time

Submission of Synopsis

After the Pre-Ph. D Presentation, the researcher has to submit ten copies of the Synopsis of his/her thesis through the guide .A synopsis is viewed as a mini version of the thesis. It should provide a clear idea about what the thesis is. It should

- (a) Introduction.
- (b) Brief review of literature.
- (c) Materials.
- (d) Aims and Objectives.
- (e) Methods.
- (f) Results.
- (g) Discussion.
- (h) Conclusion
- (i) Bibliography (Vancouver/ Harward)

The expected length of the synopsis is 20-30 double-spaced A-4 size pages.

EXAMINER’S REPORT

- (a). The report should be in clear and unequivocal terms whether:

Sr. No.	Points	Yes	No
1	The thesis be accepted for the award of Ph. D Degree		
2	Questions to be asked in Open Defense [Viva-Voce examination] (The examiner are required to suggest on a separate sheet of paper the areas in which clarifications are to be sought at the Open Defense with specific questions to be asked at the time of Open Defense)		
3	The Thesis to be revised and resubmitted (The line on which the thesis is to be revised may please be indicated in detail on a separate sheet of paper)		
4	Thesis to be rejected (The reasons for rejection – may please be given on separate sheet in detail)		

- (b) Kindly attach a detailed report of the evaluation of the thesis as indicated in section A, B & C separately.

Section A: If the thesis is accepted for the Ph. D Degree then please give:

- i) The merit of the thesis
- ii) The demerits of the thesis
- iii) The questions to be asked at the Open Defense.

Section B: If the revision and resubmission is recommended, then please give:

- i) Merits of the thesis, if any
- ii) Demerits of the thesis
- iii) Detailed suggestions to the candidates for revision.

Section C: If the thesis is rejected, then please give:

- i) Merits of the thesis, if any
- ii) Demerits of the thesis
- iii) Reasons for rejection.
