

#### **YEARLY STATUS REPORT - 2020-2021**

Part A		
Data of the Institution		
1.Name of the Institution	Pravara Insititute of Medical Sciences ( Deemed to be University) Loni Bk-413736 Tal: Rahata District: Ahmednagar	
Name of the Head of the institution	Dr. Y.M. Jayaraj	
Designation	Vice Chancellor	
Does the institution function from own campus	Yes	
Phone no. of the Vice-chancellor	02422-271233, 02422-271343, 02422-271503	
Alternate phone No.	02422-271461	
Mobile no (Vice-chancellor)	9845851915	
Registered Email ID (Vice-chancellor)	vcpims@pmtpims.org, iqac.pims@pims.org, contact@pmtpims.org	
• Address	At/Po: Loni Bk, Tal: Rahata Dist: Ahmednagar	
• City/Town	Loni Bk, Tal: Rahata Dist: Ahmednagar	
State/UT	Maharashtra (MS)	
• Pin Code	413736	
2.Institutional status		
• University	Deemed	

TO CT III	
• Type of Institution	Co-education
Location	Rural
Location	Rurai
Financial Status	Private
2 1110110101 2 011000	
Name of the IQAC Co-ordinator/Director	Dr. Sandeep Pakhale
Phone No.	02422271503
Alternate phone no.	7798847711
Mobile No:	9423865957
• IQAC e-mail ID	iqac.pims@pmtpimis.org
Alternate e-mail	sandeeppakhale@gmail.com
3.Website address	https://www.pravara.com/pimsagar.
	<u>html</u>
4.Whether Academic Calendar prepared	Yes
during the year?	
• If yes, was it uploaded in the Institutional	https://www.pravara.com/universit
Website?	y-calender.html
	1

#### **5.**Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	В	2.57	2011	16/09/2011	15/09/2016
Cycle 2	A	3.17	2017	28/03/2017	27/03/2022

#### 6.Date of Establishment of IQAC 14/08/2007

## 7.Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/ Depart ment/Faculty	Scheme	Funding agency	Year of award with duration	Amount
Nil	Nil	Nil	Nil	Nil

8.Is the composition of IQAC as per latest NAAC guidelines	Yes	
Upload latest notification of formation of IQAC	View File	
9.No. of IQAC meetings held during the year	04	
<ul> <li>Have the minutes of IQAC meeting and compliance to the decisions have been uploaded on the institutional website</li> </ul>	Yes	
<ul> <li>(Please upload, minutes of meetings and action taken report)</li> </ul>	View File	
10.Did IQAC receive funding from any funding agency to support its activities during the year?	No	
• If yes, mention the amount		
11.Significant contributions made by IQAC dur	ing the current year (max	ximum five bullets)
• Timely Preparation & Submission	of AQAR 2019-20	
• Conducted regular meetings of IQ.	AC coordinators	
• Preparation towards AAA Internal	Audit	
• Organized Value Added Courses, workshops during the 2020-21		
<ul> <li>Encouraging faculty members to participate in online content development.</li> </ul>		
• Conducted PG & UG Orientation proacademic year 2020-21	ogram for fresh St	udents for the
• Conducted a session on the Revise Non-Teaching staff of PIMS-DU	ed NAAC format to	all Teaching &
• Preparation and submission of AQAR of the academic year 2020-2021 as per NACC new guidelines.		
12.Plan of action chalked out by the IQAC in the	e beginning of the Acader	mic year towards

Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Timely submission of AQAR 2019-20	Done within stipulated time
Awareness of New Format of AQAR for Health Sciences Institutes	Most of the Faculties, Staff & stake holders were trained through various sessions
PG Orientation Program organized by Rural Dental College	Organized on 24th & 25th August 2020 .Guest Lectures were organized on DCI MDS 2017 Regulations, PG Timelines, Introduction to Research Literature search & writing a research protocol, Teaching Methodology & Pedagogy, Approach to Medico-Legal Cases, code of conduct & Professional Ethics. Done within stipulated time by all constituent institutions of PIMS-DU
Clinical Dental Photography	Value added course was conducted on 25th & 26th August 2020 for PG Students & Faculty Members.
TAD- A need of Modern orthodontics	Value added course was conducted on 24th & 25 th February 2021
International VAC on self- ligating system Damon	Value added course was conducted on 24th &25th February, 2021 for PG Students
Maintaining regular teaching schedule despite pandemic situation and lock down	all subjects teaching schedule was prepared and successfully followed by all teaching staff
Initiative for consultancy and extension	consultancy Research project was conducted with of college of Agricultural Biotechnology.
Preparation of NAAC Cycle 3rd	Awareness of New format for NAAC SSR preparation as per new Health Sciences University Manual. formation of criterion wise committees for preparation of SSR

## 13. Whether the AQAR was placed before statutory body?

Yes

• Name of the statutory body

Name	Date of meeting(s)
Board of Management, PIMS-DU	28/04/2023

## **14.Does the Institution have Management Information System?**

Yes

• If yes, give a brief description and a list of modules currently operational

Management Information System

Operational Modules

During the period from 1st August 2019 to 31st July 2020 following Modules are operational.

A) Pravara Camus Automation (Developed by Focuz Infotech, Kochi):

This campus automation software includes following modules.

- 1. Hospital: This module includes following sub modules:
- 1. Patient registration
- 2. OT,
- 3. ICU,
- 4. FMT,
- 5. CCU,
- 6. MRD,
- 7. Casuality,
- 8. Radiology,
- 9. Blood Bank,
- 10. CCL Microbiology,
- 11. CCL Pathology,
- 12. CCL Biochemistry,
- 13. Pathology,
- 14. Microbiology
- 15. Extension Center etc.

The patients are registered at the Patient Registration Counter and as he/she goes to the various departments for testing his/her name and other details are reflected in the concern department / module. The billings of various tests are done at various counters. Various reports of MRD and patient related reports are generated from these modules.

- 2. HRMS: Information of all teaching and non teaching staff and their leave records, monthly attendance are maintained. Also paysheet processing is done through this module.
- 3. Accounts: All accounts transactions data entry and its posting to the concern ledgers are done. The Individual Ledger, Trial Balance, Balance Sheet etc. reports of all units are automatically generated through this module.
- 4. Stores & Purchase: All data entry of stores, purchase and quarters allocations are done and the reports of the same are generated through this module.
- 5. Dispatch: Inword and Outword Registers, Stamps, Postage etc. data entries are maintained and the reports of the same are generated through this module.
- 6. Academic: PG students records and their attendance are maintained through this module.
- B) TCSiON Software:

This software includes four modules:

- 1. Academic Solution: Student's personal details and academic details entries are maintained and student related reports are generated through this module.
- 2. Fees & Fine Module: Student fees record is maintained and reports of the same are generated through this module.
- 3. Hostel Management: Entries of student's allocation into the concern hostel are done and their room change, check out from hostel, daily attendance of girls hostel etc. records are maintained and room allocation reports are generated through this module.
- 4. Feedback Module: Students are giving feedback of the teaching faculties. Their feedback records are maintained and reports are generated through this module.

#### **15.**Multidisciplinary / interdisciplinary

Multidisciplinary/Interdisciplinary

The way proposed in the NEP 2020 to end fragmentation of higher education PIMSDU will transform into multidisciplinary university. It will be Multidisciplinary teaching-intensive university (TUs) with 3,000 or more students.

The PIMSDU will be an integrated higher education system, including professional and vocational education.

Objective of Multidisciplinary HEI (PIMSDU) is to Strengthen institutional infrastructure necessary for multidisciplinary education and research.

PIMSDU will initiate Academic collaboration between institutions, through HEI clusters, leading to multidisciplinary education and research in different modes.

It will also initiate the Merger of single-stream institutions with our multidisciplinary institutions under the same management.

PIMSDU will start institutions in the discipline of AYUSH, Pharmacy, Psychology, Home Science & Nutrition, Biological, Life, Pure and Applied Sciences, Agriculture, STEM, Arts, Humanities and Management

OR, It will merge the stand alone Institutions of the Trust/Society (namely Medical, Ayurveda, AYUSH, Nursing, Dental Science, Physiotherapy, Biotechnology, Biomedical Engineering, Computer science and IT, ICT and also of Science, Commerce, Management and Humanities) in to the existing DU Thus the DU would become a multifaculty and multi-disciplinary University offering diverse academic programme and courses.

#### **16.**Academic bank of credits (ABC):

Academic Bank of Credits

Multidisciplinary education will help students to shape their career options. To offer multidisciplinary programmes successfully, HEIs are expected to conduct student-induction programmes to create awareness among students about various learning pathways and career

opportunities; to register in the Academic Bank of Credit (ABC); and adopt online courses, in addition to other collaboration with other HEIs, to offer the programmes with a strong interdisciplinary flavor.

Orientation about new opportunities: The University Grants
Commission (UGC) has initiated Student Induction Programme (SIP)
with the purpose to help students acclimatize with the new
surroundings, develop bonds with fellow students and teachers,
sensitivity towards various issues of social relevance and imbibe
values so as to become responsible citizens. With the NEP 2020
bringing in a series of reforms such as multidisciplinary education,
multiple entry and exit, Academic Bank of Credits (ABC) etc.,
students entering the portals of higher education need to be
oriented about the available opportunities. Ensuring a welldesigned induction programme with adequate exposure to all these
reforms will help students to set the pace of their academic
journey.

Credit mobility between institutions: For credit mobility between partnering institutions, the National e-Governance Division (NeGD) of the Ministry of Electronics and Information Technology (MeitY) has developed the ABC platform under a Digilocker Framework. The ABC provides the facility and functionality for a student to open an academic account and to get eligible HEIs on board. The ABC digitally store the academic credits of the students earned from HEIs registered with the Bank and supply appropriate data for the HEIs to award degrees, diplomas/PG diplomas and certificates as merited by the students, over a period of time. The ABC also ensures opening, closing and validation of Academic Bank Accounts and Credit verification, credit accumulation and credit transfer or redemption for students. HEIs need to register in the ABC to enable credit mobility.

#### 17.Skill development:

#### Skill development

Being a Health Sciences University all programmes offered by PIMSDU are skill oriented. University has established well equipped Skills and Simulation Laboratory which imparts the basic clinical skills amongst UGs and Advanced Clinical Skills amongst the PGs. University also has well equipped Hospital and UHTC RHTC in which exposure is given to all students. PIMSDU has also adopted the villages for the community service especially in all health care systems.

New programmes will be added which will be skill oriented and also need based.

PIMSDU has upgraded the "Bioinstrumentation" at Central Research Laboratory, Diagnostic Centers, Central Clinical Laboratory and Operation Theaters with all relevant scopies. And also established around 10 PHCs in neighborhood to provide primary health care and act as a liaison between community medical college and tertiary hospital.

It has adopted around 5 villages, schools and old age homes for extension and outreach activities with emphasis on health, hygiene, environment and holistic socio economic development of community and villages.

All these initiatives will add the skill development in the students.

## 18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Appropriate integration of Indian knowledge system

PIMSDU is in the process of adding Ayurveda and Pharmacy Programme which are appropriate the integration of Indian knowledge system. To be part of National Health/ Medical Missions and undertake clinical trials and collaborative research in emerging areas of health care service and integrated medical system (Allopathy, AYUSH and Ayurveda)

#### 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Focus on Outcome based Education

PIMSDU has published focus on OBE by establishing the policies (SOPs) on systems and processes - HR, Student Admission, Curriculum, Co-Curriculum, Extra-Curriculum (time table, Academic Schedule), PO/CO/LO/SLO, Feedback, Research (UG, PG, Faculty), IIC, Incubation, Research, FDP/PDP, Incentives, Welfare, Consultancy, Collaboration, Clinical trials, Extension & Outreach, IPR, CR, Student Diversity, Catering Diverse Needs, Staff & Student Welfare, Code of Conduct, Infrastructure augmentation, Maintenance, IT, Learning Resources, Teaching Learning Evaluation, ICT, Organogram, Flow of Information, Delegation of Powers, Student Forums, Student Councils, Gender Cell, Anti Ragging Cell, ICC, Grievance Redressal, Green Initiatives, Environment & Energy Audit, IQAC, AAA, Certification, Accreditation, Examination Reforms and Manuals (CIA & SEE), Byelaws, Performance

Appraisal, Institutional Committees, Best Practices and so on.

#### **20.Distance education/online education:**

Distance Education/Online education

Online and ODL mode of education: NEP 2020 has set the ambitious target of achieving 50 per cent GER by 2035. To achieve this target, higher education needs to be imparted in multiple ways. Online learning is one of the ways. Online education is gaining acceptance and popularity. Hundreds of online courses recognized by UGC including those available in the SWAYAM portal can provide an ideal platform to enable multidisciplinary education. PIMSDU will ensure e-governance at all levels - admission, administration, finance, examination and hospitals.

To ensure blended teaching at all levels of learning by adopting latest ICT tools, platforms, LMS and other e-media. Further to create a state of art AV recording room for e-content production and ICT for dissemination. To train all the teachers on blended/ ICT pedagogy and innovative examination methods.

To start a Community Radio Station and dedicated YouTube Channel to disseminate health care and health education awareness information and other e-consulting services.

To offer library services and facilities (physical and virtual) 24x7. IT will subscribe all international level relevant e-databases and e-journals and linking it to webpage and LMS. Further to orient staff and students to the features of 21st Century's Library Resources and utility. PIMSDU will start 'Tele-Medicine' as a concept and practice and integrating with OPD of Hospital.

We are in process of integrating in future the Artificial Intelligence, Virtual Reality, Augmented Reality and other innovation of digital technology in to the existing blended technologies and services - education, health care facilities and services.

#### Part B

#### **CURRICULAR ASPECTS**

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global health care needs which are visible in Programme Outcomes (POs), and Course Outcomes (COs) offered by the University, as per the norms of the Regulatory Bodies.

Pravara Institute of Medical Sciences (Deemed to be University) (PIMSDU) follow norms of the statutory/regulatory bodies for their respective programmes and have well formulated program and course outcomes relevant to the local, regional, national, and global developmental needs.

PIMSDU has system of Board of studies, Academic Council with inputs from external members from other university, leading up to Board of Management for curriculum design and development. Due to this system curriculum design, development and implementation of various curricula has shown relevance in changing health care scenario.

PIMSDU has competency based Medical and outcome-based other health professional programs. All programmes are skill-based and University has a well-developed skills and simulation laboratory for teaching and training the students. The faculty members of University are competent enough to design and develop the curriculum in the form of PO's, PSO's and CO's in all the programmes offered by the University which has relevance to the local, national, regional and global needs as PIMSDU provides opportunities through Faculty development programmes on curriculum design and development.

File Description	Documents
Curricula implemented by the University	https://www.pravara.com/pdf/1.1.1_Final_Curr iculum_implemented_by_University.pdf
Outcome analysis of POs, COs	https://www.pravara.com/pdf/1.1.1_Final_Outcome_analysis_of_POs_&_COs.pdf

Any other relevant information	<u>View File</u>

1.1.3 - Provide a description of courses with focus on competency/ employability/ entrepreneurship/ skill-development offered either by the University or in collaboration with partner Institutions / Industries during the year

PIMSDU offers almost all programmes total 70 which focuses on competent employable skilled health care professionals with entrepreneurship skills as per the present and future need of the society.

PIMSDU offers blended Teaching and Learning environment which gives traditional learning for improving knowledge base of the students and an opportunity to learn through skills and simulation laboratory, community-based teaching to hone their skills.

Clinical training is achieved through exposure to Hospital based teaching training, community, Rural and Urban Health centers. Industry interaction is via internship, field projects, Collaborations and MOUs. Almost all programmes have at least one course which focuses on Research and extension. PIMSDU focuses on holistic development of students through different curricular, cocurricular and extracurricular activities which enhances the Professionalism, Leadership, Effective Communication Skills, Scholarly Attitude, Element of Critical Thinking, Enthusiasm for Research, Social Commitment and Global Competencies amongst the students.

Outcome of these measures results into almost 100 percent skilled manpower which is either employable or entrepreneurs.

#### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Gender, Environment and Sustainability, Human Values, Health Determinants, Right to Health Issues, Emerging demographic changes and Professional Ethics in the curricula

PIMSDU integrates cross cutting issues relevant to professional ethics, Human Values, Environment and Sustainability through its curricular, curricular and extracurricular activities resulting into the holistic development of students.

Professional ethics and human values:PIMSDU has established Bioethics Unit of UNESCO Chair, Haifa which conducts activities focusing on Human values and professional ethics amongst students through faculties. It has published book on Value Based Education. AETCOM is a module in UG MBBS curriculum which integrates attitude, ethics, communication skills amongst the UG Medical students.A family adoption programme of PIMSDU also helps in inculcating the communication skills, human values

Hippocratic Oath, White Coat ceremony and Cadaveric Oath are part of the curriculum which integratesethics and human values componentGender:Gender component is included in various curricula of all UG and PG. In addition, there is gender champion and Gender Sensitization committee which conducts many programmes, celebrates women's day by organizing guest lectures, competitions, Debates and rallies as extracurricular activity. Environment: As per UGC guidelines PIMSDU is implementing environmental studies module. Students participate in various activities like Swachh Bharat Abhiyaan, Tree planation drive, Poster making competition and various day celebrations through NSS.Sustainability: There are three main pillars through which PIMSDU is improving the sustainability that are engaging all UG and PG students with Social Learning, Engaging them with local Community through family adoption programme and attracting both faculty and students with high caliber by providing them good Infrastructure and Learning Environment.

File Description	Documents
List of courses that integrate crosscutting issues mentioned above	https://www.pravara.com/pdf/1.3.1_List_of_Co urses_integrate_Cross_Cutting_issues.pdf

## 1.3.4 - Students undertake field visits / research projects / Industry internship / visits/Community postings as part of curriculum enrichment

PIMSDU offers programmes which has field projects, community postings and internship as their integral part of curricula.

All PG and UG students had been part of community camps conducted for Covid patients, Pap smear, Cancer screening, Blood donation, ANC, School Health and multi-diagnostic camps.

Family adoption programme which has undertaken by PIMSDU for UGs of Medical Dental, Physiotherapy and Nursing Students continued this year as well.

Even though there were many challenges this year due to Covid Pandemic situation many field visits have been successfully undertaken by PIMSDU. Dedicated COVID hospital for Rural and Tribal people of the society was run by PIMSDU which gave exposure of learning to students during pandemics. During internship students maintain a log book to record these activities undertaken by them.

Research methodology is an integral part of curricula in all UG and PG programmes. Our UG and PG students under able guidance of faculty take up research projects as a part of their academic growth. As a

part of of curricula all PGs has undertaken the research projects. UG students are also motivated to undertake the ICMR STS and Pravara STS projects.

Few students also work on collaborative projects with external universities, laboratories under guidance of renowned research scholars.

#### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods are used for enhancing learning experiences by

Experiential learning: is provided through skills and simulation lab prior to clinical settings, early clinical exposure, clinical teaching, procedure demonstrations, Clinical meetings, case discussions to link theory to practice. All UG, PG are exposed to community through community postings and camps.

Integrated Learning: PIMSDU has adopted the integrated teaching and learning through alignment, horizontal & vertical integrated teaching sessions and interdisciplinary research projects.

Participatory Learning: This is achieved through SGT, micro teaching, Students Led Objective Tutorials (SLOT), Team Based Learning, Think Pair and Share method, peer assisted Learning, community outreach activities, health camp Problem solving methodologies: PBL, case presentations & discussions enhance the critical and analytical thinking.

Self-directed Learning: It is through well designed SDL sessions for which time slots are allotted in the time table and outcome is measured via different assessment methods.

Patient Centric and Evidence Based Learning:

Clinical postings in hospital wards, OPDs, OT, Casualty Department, Multi-diagnostic camps in community areas for patient Care. PG curriculum has Journal clubs which promotes evidence-based learning.

The Humanities: UG and PG curriculum includes topics on professionalism, communication skills, Bio ethics, Medico-legal aspects, gender equity etc. Sociology and Psychology are also part of nursing and physiotherapy programmes.

Project based Learning:

Few UGs & all PGs undertake research projects. Both UG and PG students also apply for ICMR -STS funded projects. PIMSDU also offers Pravara STS scholarship projects for students.

Role Play: AETCOM, Humanity, professionalism, communication skills are taught through role plays

# 2.3.2 - The Institution has provision for the use of Clinical Skills Laboratory and Simulation-Based Learning The Institution: 1. Has Basic Clinical Skills Training Models and Trainers for clinical skills in the relevant disciplines. 2. Has advanced patient simulators for simulation-based training 3. Has structured programs for training and assessment of students in Clinical Skills Lab / Simulation centre 4. Conducted training programs for the faculty in the use of clinical skills lab and simulation methods of teaching-learning

#### A. All of the Above

2.3.3 - Teachers use ICT-enabled tools for effective teaching and learning process, including online e-

#### resources

In PIMSDU all the Classrooms are ICT enabled with e-facility. Whole campus is Wifi enabled. The faculty are trained in using Smart boards. Large amount of e-content is developed in the form of videos for demonstration, Dissections & Surface Marking, audio recorded PPT's are uploaded on youtube by Institute. Due to COVID pandemic online platforms like Microsoft teams, Cisco WebEx, Google classroom and Zoom Platforms are used by teachers and for self-directed learning and formative assessment. Online Guest Lectures, seminars, conferences and Faculty development programmes are conducted during

this academic year. Hard drives DVDs' and CD are available in respective departments. Many Students and Faculty members attended MOOC courses in SWAYAM, Coursera, Udemy, etc. They use SPSS statistical package for analysing research databases and utilized the Media Lab for Lecture and Demonstration Video capturing. Computer Assisted Learning (CAL) is facilitated in E-Library. This facility is especially used by department of physiology and Pharmacology to teach the animal experiments. E resources like e-Shodh Sindhu, National Digital Library (NDL, India) Shodh ganga (Digital Repository of Indian electronic Thesis and Dissertations, Bio Med central, Cochrane Library Data base, Directory of open access Journals (DOAJ), UGC INFLIBNET, Free Medical Journals, Medline-Plus, NLM gate way, OMICS international, Pub MED Central (PMC), Scientific Research, Springer Open, WHO Library Database, (WHOLIS), DELNET are freely provided by Central library of PIMSDU.

2.5.4 - Reforms in the process and procedure in the conduct of evaluation/examination; including Continuous Internal Assessment to improve the examination system. Describe examination reforms implemented by the University during the year with reference to the following within 100 - 200 words

University is following the guidelines laid down in Evaluation process by MCI, DCI, INC and BOM of PIMS. ? Internal Assessment and University Examinations were in the form of Therory and Practicals & Vivo-Voce ? Faculties are trained in Question paper designing during Faculty Development Programmes Procedure of Double Assessment System of Theory Answer Books is adopted by the University which means the first and second assessment of answer books done by first, second examiners respectively at a central assessment programme preferably both are external examiners / assessors. ? Third assessment : means assessment of theory answer books done by third examiner, if difference of the marks between first and second examiner is more than 15% ? Objective Structured Clinical Examination (OSCE) & OSPE problem based learning ? Photocopy facility, retotalling of answer sheets is also adopted by the University. ? Question banks are being prepared and uploaded on University website University has adopted CBCS for some courses The examination system in PIMSDU is double blind Multiple Evaluation system. It follows reforms suggested by the governing/statutory bodies from time to time OSPE, DOPS methods conducted to evaluate the competencies during practical examination in formative assessments. The internal assessment marks are submitted online by the constituent Institutealong with attendance to University Examination Section.CCTV cameras are installed in the examination halls to maintain transparency in the examination process. Students are allowed in the examination hall 30 minutes before the commencement of the examination. Mobile jammers are

#### installed

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - The Institution has stated learning outcomes /graduate attributes as per the provisions of Regulatory Bodies which are integrated into the assessment process and widely publicized through the website and other documents Provide details of the stated learning outcomes for each programme / course as stipulated by the appropriate Regulatory Body and the methods followed by the Institution for assessment of the same within 100 - 200 words

PIMSDU has well defined Graduate Attributes for all Programmes. The Programme outcomes (PO) and course outcomes (CO) are also stated for all programmes offered by PIMSDU which reflect all three domains of

learning. i.e Cognitive, affective and Psychomotor. POs and COs are part of curriculum which are uploaded on Institutional Website. All Pos and Cos are mapped. Curriculum and Handbooks are prepared and shared with the students through soft copies usually during induction and orientation programme. The POs' reflect the Vision and Mission of the University, the Objectives of the programme specified by the respective statutory/governing councils.

Teaching, learning and evaluation methods are aligned for attainment of each course outcome. Faculty Development Programmes are conducted at institution and meetings are conducted at department levels for enhancing the modes of teaching-learning and evaluation to meet the course outcomes at all levels The attainment of PO's, PSO's&CO's are evaluated by PIMSDU through direct methods like formative that is continuous Internal assessment and summative assessment that is University Examination. employers. It is also assessed via placement record and student progression to higher studies.

The graduate attributes of PIMSDU include Professionalism, Leadership, Communication skills, Ethics, Attitude, Critical Analysis, Logical thinking, Quest for research, social commitment, lobal competencies. To attain graduate attributes PIMSDU conducts regular curricular, cocurricular&extracurricular activities.

#### RESEARCH, INNOVATIONS AND EXTENSION

#### 3.1 - Promotion of Research and Facilities

3.1.1 - The Institution has a well-defined Research promotion policy and the same is uploaded on the Institutional website

PIMSDU has a well-defined Research promotion policy for encouraging faculty, students to inculcate interest toward research. It is frequently updated. Interdisciplinary, interdepartmental collaborative research from different disciplines&National institutes is existing &encouraged. •Research Incentive Scheme (RIS) of PIMSDU offers Cash award&additional increments to faculty members on their quality publications in UGC CARE List. Chancellor's Research Trophy for best research paper by the faculty. Young Budding research award for UGstudents. Promotion of participation of UG&PG students various State&National level research competitions like STS conference, Mediace, Illuminati etc. Pravara STS Research Funding Forchemicals Equipments, infrastructure, logistic support is provided by institution. 50% of registration fee is given paper presentation with TA,DA for PG students&faculty. 100% sponsorship for

undergraduate student for scientific presentation and publications. Research Incentive Scheme is amended from the academic year 2019-20 to give Incentives for Research Projects at PIMSDU&Incentives for Research Patent. Pravara Medical Review Journal: An official Publication of PIMS:Quarterly Peer reviewed Journal:Multispecialtyhealthcare,peer reviewed biomedical Journal,Quarterly published:March,June,September,December.Indexing status:Scopus,Google scholar,Index Copernicus,Journal seek,OpenJ Gate,DOAJ,CABI,Ulrich International Periodical Directory,Index journal.net.ANTI-PLAGIARISM POLICY have been formulated in August 2015.Infrastructure Improvements to facilitate research: Newly setup state of art facilities for central clinical laboratory,Pneumatic shoot facility,Advanced Central research Facility as Central Research lab,Departmental Research laboratories are set up,Mobile health clinics and camps for the community based research

#### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and entrepreneurship with an Incubation centre, entrepreneurship cell

HRD Govt. of India has established MHRD's Innovation Council to systematically foster the culture of Innovation amongst all Higher Education Institutions. The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes.MIC has envisioned encouraging creation of `Institution's Innovation Council (IIC's)' across selected HEIs.PIMSDU Innovation council is registered under MHRD innovation cell on 14.8.2019.Major focus of IIC: To create a vibrant local innovation ecosystem. • Start-up supporting Mechanism in HEIs. ● Establish Function Ecosystem for Scouting Ideas and Preincubation of Ideas. • Develop better Cognitive Ability for Technology Students.A Certificate was issued with one half Star golden star for establishing the MIC - Institution Innovation Council (IIC) of Rural Dental College in year 2019-2020. The objective is to promote: The innovations in medical, dental physiotherapy, nursing &allied field. To help the students, faculties to smoothen the process of the innovation, copyright, patent filling. The innovation council along with research cell helps in implementing new innovative ideas. Student and faculty members are encouraged to develop new ideas for innovation, to participate various innovation &entrepreneurship related activities. The PIMSDU IIC in collaboration with Medprime Technology Mumbai gives biomedical support if anyone requires it. Various innovative activities like splitting of ventilator, Provid sheath, wireless stethoscope was provisionally filed along with Virtual Moot Court for the patent during COVID pandemic

#### 3.5 - Consultancy

3.5.1 - Institution has a policy on IPR and consultancy including revenue sharing between the Institution and the individual, besides a training cum capacity building programme for teachers, students and staff for undertaking consultancy

#### IPR:

VISION: The Institution's Innovation Council of Pravara Institute of Medical Sciences (Deemed to be University) is committed to enabling an innovation culture in the institute and to be recognized as one amongst the leading institute in promoting entrepreneurship and startup ecosystem nationally.

MISSION: To accomplish its unique vision, PIMS-DUhas a far-reaching mission that aims

• To establish pre incubation centre in collaboration with external agencies. To impart creativity and passion for innovation among the students and faculty members of Pravara Institute of Medical Sciences. To organize Workshops and Seminars on Intellectual Property creation. To inculcate the entrepreneurial skills among the students and faculty members of Pravara Institute of Medical Sciences.

#### OBJECTIVES OF PIMS INNOVATION AND STARTUP POLICY:

- Collaborate with course offering institutions to promote entrepreneurship among the youth
- Maximize industry involvement and engagement through MoUs
- To promote innovation culture through innovation contest at least one per year
- To inculcate the spirit of innovation and entrepreneurship among the young students of Pravara Institute of Medical Sciences.School of Public Health & social Medicine,Loni: SPHSM has signed a Memorandum of Understanding with DISHA Foundation,Nashik,Maharashtra that works with vulnerable population in India since 2002 which is a pioneer organization for migrant communities to work in collaboration with areas of mutual interest,research & development, teaching and training

opportunities SPHSM has been collaborating with BAIF for conducting multispecialty camps in Akole Tribal Block of Ahmednagar District.

#### INFRASTRUCTURE AND LEARNING RESOURCES

#### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate physical facilities for teaching —learning, skills acquisition etc.

The PIMS-DU has adequate physical facilities for teaching learning & skills acquisition. The 1275 bedded hospital, 310 automated Dental Chairs in Dental Hospital, and 6 clinical departments in the Physiotherapy college provide an opportunity for innovative clinical training. A tertiary-level hospital with special clinics and a good number of clinical materials is a positive component for the clinical learning of research scholars and students at PIMS-DU. General Laboratory, Molecular Biology Lab, and Tissue Culture Laboratory cater the research confidence of research scholars,

faculty, and students. Mobile clinics and motorbike ambulances help students to meet the underprivileged strata of society and deliver them appropriate health facilities. The ayurvedic center of the institution provides a holistic treatment approach to the patients. The yoga center raises the awareness and training of the students under the supervision and guidance of expert faculties. The Central Clinical Laboratory uses state of art modern instrumentation for robust, accurate, and reliable results. The institute also houses a Central Animal House which helps with clinical trials and experimental training. The institution has its standard vehicle department with sufficient buses, mobile vans, and ambulances with all the latest facilities for the local conveyance of the students and patients.

4.1.2 - The Institution has adequate facilities to support physical and recreational requirements of students and staff: sports, games (indoor, outdoor), gymnasium, auditorium, yoga centre etc. and for cultural activities

The PIMS-DU has adequate facilities to support the physical and recreational requirements of students and staff. The PIMS-DU has established a Board of Sports to oversee athletic programs. The task of the Sports Council is to promote, organize and conduct sports on the PIMS campus in accordance with the annual sports calendar. It also participates in intercollegiate tournaments of sports and cultural activities from time to time. Each constituent institute has a Sports and Cultural committee that oversees the conduct of regular cultural and extra-curricular activities. A 400 meters long athletics standard running track, a cricket ground, a grassy football field and a walking path of 800 meters are the major highlights. Sindhu Hall an auditorium with a seating capacity of 550 and Ganga Hall are used for indoor games and practice of cultural events. Facilities for Cultural Activities at PIMS-DU offer a wide range of opportunities for students at PIMS-DU. The Institute has also developed a Yoga center where students are trained by yoga expert faculties. Padamanjali a cultural event is organized annually for two weeks to promote cultural and sports events with competitions like personality contests, fashion shows, dance, drama, singing, etc.

## 4.1.3 - Availability and adequacy of general campus facilities and overall ambience

A vibrant ambiance and good facilities are available at the Pravara Institute of Medical Sciences. Indoor and recreational game facilities and gymnasiums are available at Girls and Boys Hostels. A canteen facility is available in campus and at the respective hostel, open from 7 am. Spacious, well-furnished Staff Quarters with 24x7 water and electricity supply are available in the campus. Two Guest Houses with air-conditioned and excellent amenities for lodging and boarding are available in the campus with a canteen facility. An athletics standard running track of 400 meters long, a cricket ground, a grassy football field, and a walking path of 800 meters is available in the campus. Pravara Sahakari Bank, Central bank of India, and ATM of Central Bank of India, State Bank of India & HDFC Bank are available in the campus. The campus is barrier-free for Divyangjan with ramps, railings, and lifts. A generator facility for backup is available for the entire campus. STP facility with 5 lac liter capacity is functioning in the campus, Consumer store and food court facilities help the students, faculties, and residents of campus to meet the grocery & food requirements.

#### 4.2 - Clinical, Equipment and Laboratory Learning Resources

4.2.1 - Teaching Hospital/s, Equipments, Laboratory and clinical teaching-learning facilities including equipment as per the norms of the respective Regulatory Bodies

PIMS-DU has the facilities for clinical teaching learning as per the stipulations of NMC, DCI, MSOTPT Council, Indian Nursing Council. PIMS-DU is the only private institution in Maharashtra permitted to conduct medicolegal autopsies. Molecular laboratory of Microbiology is the first to get accredited by NABL for use of Truenat closed System RTPCR for Covid-19 testing from all private medical colleges in India. It is also one of the few private medical laboratories to establish a CBNAAT for rapid diagnosis of tuberculosis under the National Health Programme of tuberculosis. The interfacing of the various instruments with the Laboratory Information System in the central clinical laboratory makes it possible to view the results of the analyzed samples in the wards immediately on the computers for quick decisions in offering patient care. Fully automated hematology analyzer (two Sysmex XN 3100 analyzers and one Beckman DxH800 analyzer), coagulation analyzers, Sysmex XN 3100 analyzer with attached SP-50 instrument with integrated blood smear maker and Stainer are available in the CCL. Dental Hospital is equipped with 310 automated Dental Chairs and latest facilities. Mannequins of adult males, females, CPR dummy, an injection arm, and various instruments are available in the nursing laboratory for demonstrating nursing procedures.

4.2.2 - Describe the adequacy of both outpatients and inpatients in the teaching hospital vis—a—vis the number of students trained and programmes offered (based on HIMS / EMR)

Pravara Rural Hospital of PIMS-DU supports a UG intake of 200 students and 105 PG students. National Medical Council of India has regulatory guidelines for the number of patients into IPD and OPD daily so as to provide adequate hands-on clinical experience to the students pursuing MBBS, BDS, BPTh and Post-graduation in medicine, dentistry, physiotherapy, Nursing. The hospital meets NMC requirements of Daily 160 to 190 IPD patients & Daily 2050 to 2150 OPD patients. An increase of 66% in the OPD cases and 10. 49% in IPD cases is observed during 2020-21. Facilities that are available with Pravara Rural Hospital help to fetch referrals from nearby clinics, nursing homes, independent consultants, and other hospitals in the vicinity. The hospital is also empaneled under various state and central government schemes like Mahatma Jyotiba Phule Jan Arogya Yojana along with 10% beds reserved for indigent patients and 10% for weaker section. Multi-specialty health camps and awareness campaigns has resulted in increased awareness amongst the general population. The average patient in Rural Dental College is more than 450 patients per day which fulfills the requirements proposed by Dental council of India for 100 Undergraduate and 22 postgraduate intakes.

## 4.3 - Library as a Learning Resource

#### 4.3.1 - Library is automated using Integrated Library Management System (ILMS)

The central library of PIMS-DU serves as a nerve centre of academics for all its constituent units. Besides the comfortable seating and reading environment, the library is well equipped with modern facilities. There is a separate audio-visual room, computer lab, undergraduate study area, and postgraduate study area in the library. The library's key characteristics are: User-friendliness, Users and readers-focused, CCTV monitoring, OPAC on the web, Online diaries, Continual upkeep, updating, and verification, Scanning, Download, Bibliography, Feedback evaluation. According to requirements, the LMS is improved. It is now updated to Tech. Focuz LMIS 2.7. The library module, Administration, Circulation, Cataloguing, and OPAC- Online Public Access Catalogue made available to users/staff. The Central Library of PIMS is entirely digitalized. Digitalization has been used for all the tasks in the library. It provides the utility report of the books, and journals by faculty, students, and research scholars. It gives details about a list of books, and journals at glance. It gives the report of daily issues/returns/renewals. It provides the report of books issued to the department library, students, faculty members, new book arrival, etc. It gives details of the books like accession register collegewise, Books, Non-Books, Dissertations, Thesis, and Bound journals college-wise.

4.3.2 - Number of books and reference volumes as well as collection of ancient books, manuscripts, Digitalized traditional manuscripts, Discipline-specific learning resources from ancient Indian languages, special reports or any other knowledge resource for library enrichment especially with

#### reference to traditional systems of medicines

PIMS-DU Library has a total collection of 35467 books with 8300 textbooks and 27167 reference books with printed rare books and digital manuscripts. Vast electronic resources are available in the national digital library, a repository for PIMS users to access information relating to traditional medicines and specialty-related electronic resources. PIMS-DU library has a huge collection of Reference books, Annual Reviews, Recent advances, MCQs, Dictionaries, Gazetteer, WHO Collections, Encyclopaedias, 226 Medline CDs/DVDs- which is a bibliographic database available from 1966 onwards, Index Medicus, Cumulative Index Medicus-1993-1995, theses and dissertations, Medical, Dental, Physiotherapy and Nursing books on CDs and DVDs, MCQ in all subjects and Competitive exam books. Atlases related to the subject-Anatomy, Physiology, Pathology, Microbiology, Cytology, Histology, Opthalmology, Surgery, Radiology, Dermatology, Obstetrics and Gynaecology, Dentistry, Physiotherapy, etc. are available for reference for the PIMS-DU library users. The library has a subscription to DELNET Database for PIMS-DU users. A collection of on Literature on Traditional Healing Practices and Technomedicine practices followed by the Tribal Indian Population is available in the library. Availability Materia Medica, Indian Pharmacopeia, and British Pharmacopeia handbook of herbal remedies and Encyclopaedias of herbal medicine are available in the collection of PIMS-DU

## 4.4.2 - Institution frequently updates its computer availability for students and IT facilities including Wi-Fi

PIMS-DU frequently updates its computer availability and IT facilities including Wi-Fi. The PIMS-DU provides information technology resources to a large and varied group, including faculty, staff, students, and guests. Inter building connectivity within the campus is over high speed fibreoptic cable. All the computer nodes across the campus are interconnected using highs speed Ethernet

cables with Layer 3 manageable network switches to provide 99. 9% network uptime in the university. New Next generation FortiGate firewall is used to secure and controlled internal campus networks from outside networks such as the Internet which monitors incoming and outgoing network traffic and decides whether to allow or block specific traffic based on a defined set of security rules. The LAN is also extended to 10 Villages E health center and 7 Rural Health Centres through wireless network within the radius of 15 kms. Since this is hospital-based campus, to avoid unnecessary traffic to network from patients and relative only registered users are being provided Wi-Fi connectivity. Campus Wi-Fi facility is being provided by university across the campus through total 631 Access Point. Campus Broadband Facility for Staff Quarters is implemented for all Quarters and Bungalow. University use two proprietary video teleconferencing platforms.

4.4.4 - Facilities for e-content development such as Media centre, audio visual centre, Lecture Capturing System (LCS), etc.

Pravara Institute of Medical Sciences has made concerted efforts to integrate the best of the ICT enabled facilities to the teaching learning process. The ICT features are used at diverse levels such as classroom teaching, information sharing and dissemination, and

digitizing the learning process. The campus is Wi-Fi enabled. Classrooms, seminar rooms and demonstration halls are enabled with ICT facilities such as LCD and WiFi with audio-video recording facility. Media Centre, in order to assist the teachers in preparing computer-aided teaching-learning materials, a separate section under the medical education unit formerly known as Education Communication and Media Centre is established. This section is well-equipped with sophisticated facilities for video recording, voice recording, editing, and the creation of visual materials. The trained technical staff of the section helps the user in the preparation of audio-video educational material. An audio-visual centre with appropriate acoustics and equipments along with a lecture capturing system is present. PIMS-DU offers specialized services to the faculty members for Photography, Video Coverage, and Audio Systems during preparation of lectures.

4.5.2 - There are established systems and processes for maintaining physical and academic support facilities: (laboratory, library, sports facilities, computers, classrooms, etc.)

The infrastructure is well maintained by the Maintenance Department with expert staff for biomedical, civil, electrical, electronics, carpentry, and plumbing section. Regular scheduling of work with log books ensures optimum usage of facilities. The Maintenance Committee headed by the executive director of Institution oversees the maintenance. The primary responsibility is in planning, purchasing, condemning, and controlling the use of physical resources with periodic checks. Maintenance of infrastructure is done by civil department team for furniture repairs, masonry and plaster works, painting, carpentry, plumbing, rest rooms, and internal roads. Cleanliness of campus, Classrooms, Staffrooms, Seminar halls, Hospital and Laboratories, Wash rooms and rest rooms etc. are cleaned and maintained daily by sanitary department staff. Dustbins are placed at strategic locations. Optimum working condition of all properties/ equipments in the campus is ensured through annual maintenance budget. Periodic reporting on requirements of repairs and maintenance are submitted by HODs to the Head of Institution which are taken care by Biomedical dept & engineers through maintenance committee. The IT Department handles technical issues with upgradation of IT facilities. Safety is ensured through surveillance Cameras and dedicated security staff. The budget allocated is optimally utilized by all the maintenance department.

#### 5.3.2 - Presence of Student Council and its activities for institutional development and student welfare

PIMS-DU has an elected student representative that forms Student Council and the members are involved in various activities such as Academic, Social, Cultural, Sports, NSS, Youth Red Cross, Grievance redressal, Psychosocial Counselling, Literary, Anti-Ragging, Research and Institution Innovation.

To interact with peers, build new connections and converge the congregations, the MBBS-16 batch of PIMS-DU hosted Padmanjali annual fest from 22 January to 25 Feb 2020. In brief, apart from fun and frolic, they were provided with a platform to showcase their unmatched talents. They put their best managerial skills to execute under the college framework. Headrush remained the most awaited event. The Band Mayabazar and the Stand-up comedian took everyone's euphoria to higher levels. The event was concluded with a prize distribution ceremony.

Covid-19 took a toll on the lives of everyone, but Pravara didn't let the tradition of organizing the Ganpati festival (Vakratundaaya). To bring some semblance of normalcy by endeavoring to create an atmosphere of festivity, organizers evolved the desperate times and brought the celebration to people's homes within the confines of their safe haven. The online events met with a thunderous response with words of appreciation. All of them had fun and educative seminars with interactive activities, notably by a

#### 5.4 - Alumni Engagement

5.4.1 - The Alumni Association/Chapter (registered and functional) has contributed significantly to the development of the Institution through financial and other support services during the year

The PIMS-DU has a registered active alumni association, in which the students will be registered after degree completion. Alumni are brand ambassadors and strong supporters of the institution. When alumni speak positively about the university, it boosts the college's reputation in society at large. The mission of the association is to build strong bonds between alumni, students, and the institute. PIMSDU keeps alumni informed and creates a network, enabling them to remain engaged with their alma mater and help shape its future through the association's programmes and services.

The PIMS-DU Alumni members are spread all over the world in topranking universities and in different capacities in the health care sector. Alumni share experiences, and their opinions help in curriculum enrichment and one-to-one interaction during alumni meets. The alumni association has made financial and non-financial contributions to the institution. Alumni participate in various induction programmes, career guidance meetings, CMEs, conferences, and guest lectures in their expert fields, and students get updated. Alumni associations often provide a wealth of career services to benefit students and improve their chances of landing a job offer. The University Alumni Association and its parent registered associations have chapters in each constituent college.

#### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The Institution has clearly stated Vision and Mission which are reflected in its academic and administrative governance

The PIMS-DU and its six Constituent Units have well defined Vision and Mission Statements as a reflection of its Founder Visionaries.

The PIMS-DU has well-articulated governance policies and systems in place rightly aligned with its Vision and Mission statements and pursuant documents approved by the Board of Management depicting the Goals to be achieved to secure World University Ranking within Top 500 by 2030.

Governance: The University has formulated a framework of policies, structure, systems and processes for management of efficient governance - academic, administrative and participatory. The governance structure of the University ensures in sustaining the university values, traditions inculcated by its visionary founders and maintain viability.

Academic governance: It is related to teaching, learning, training, research standards and academic quality issues. Academic governance controls the process of admission, curriculum design, development and delivery, exam conduct, appointment process and structure, use of resources, decision making and implementation.

Administrative governance: The institution has developed a right kind of administrative governance system creating statutory bodies and non-statutory bodies. The statutory bodies like Board of Management, Finance Committee, Academic Council, & Planning & Monitoring Board strongly promote holistic education with best practices reflecting our vision & mission, thus enriching students' aspirations and experiences.

## 6.1.2 - Effective leadership is reflected in various Institutional practices such as decentralization and participative management etc.

To achieve institutional Vision and inculcate Leadership University believes in decentralization and participative management. It is applied to all areas like Academic as well as Administrative Activities. The organizational structure allows for delegation of responsibilities and tasks. The existence of feedback system at multiple levels - departments, Institutions and University - for seeking inputs from stakeholders provides a framework for participative management. Planning of the annual budget and the purchase process provide examples of delegation and participative management hence the exercise of budgetary planning involves stakeholders at multiple levels.

To implement and govern all these activities University has formed University level various Coordination Committees. All the constituent Institutions have their college council, and College level subcommittees who addresses the institution Level academic and administrative activities. Both academic and administrative governance are decentralized and implemented through participatory model. Stakeholders from academia, industry, alumni, students &professionals as members, equally contribute to achieve the goals. The Vice Chancellor is the Executive Head of University and is well supported by the Chancellor in the quest to achieve Institutional Excellence.

Stakeholder Participation: All the stakeholders of the University Community i.e. students, teachers, non-teaching staff, parents, professionals, community representatives have a defined role in planning and decision making specially for perspective planning, preparation of rules and regulations, implementation of policies, deciding strategies for quality enhancement&research. All bodies work together synchronously for Institutional Excellence.

#### 6.2 - Strategy Development and Deployment

#### 6.2.1 - The institutional Strategic plan is effectively deployed

Strategic planning is very essential component to accomplish the Vision and Mission, which we dream of to become excellency in student centered learning, dedicated patient care, adaptation of technology and quality-based research. Strategic planning is a continuous process with a specific focus on accomplishing institutional goals in this competitive world. Strategic Planning and Deployment (SPD) is based on analysis of current obstacles and future opportunities and envisages the direction towards which our organization move to achieve its set goals and objectives. Our Institution strategic planning - both academic and administrative has been developed by the IQAC in collaboration with Board of Management, University officials. Chancellor, Vice Chancellor, and IQAC Coordinator are pillars of initiating policies after proper active feedback system including students, faculties, teaching nonteaching staff. Strategical planning initiated by them is further discussed with Heads of Institutions of PIMS in various forums like Academic Council, Board of Studies, Regular Institutional level Committee meetings and finally in Board of Management meetings. Heads of Institutions are responsible for the implementation of these plans. Heads of departments play a very important role in implementation of these tasks under strict supervision of Heads of Institutions with cordial help of administrative, finance and accounting, personal departments. The implementation of strategic plan is regularly monitored time to time by the authorities.

6.2.2 - Effectiveness and efficiency of functioning of the Institutional bodies as evidenced by policies, administrative setup, appointment and service rules, procedures etc.

The functioning of the institutional bodies is effective and efficient which are seen in the policies, procedures, administrative set up, appointment and service rules of PIMSDU.

E-governance- Our Institution has been dedicatedly adopted e-governance including in every area of exposure which includes HIMS, ERP, LMS, EMS etc.

Teaching learning process in PIMSDU is done by academic planning and preparation of Academic Calendar. Use of ICT enabled TL methods, Development of e- learning resources, Promote research, Provide mentoring and personal support are important features of the PIMSDU. It also follow a transparent and fair feedback system, Conduct training based on need analysis, Evaluation parameters and benchmarking, Continuous assessment to measure outcomes, Implementation of best practices in PIMSDU

University Administrative set up: University conduct administrative, academic as well as extracurricular developmental activities through various committee/ boards/ forum / cell for smooth and quality outcome work and responsibilities. Board of Management, planning monitoring Board, Finance committee, IQAC cell, Admission office, Examination section, Board of studies, Academic Council, Board of sports, Women empowerment Cell, Anti ragging Cell, Bioethics unit, Grievances redressal cell, National Service Scheme (NSS), Feedback committee, Anti-discrimination cell etc. work with coordination with our various Institutions.

### 6.3.5 - Institution has Performance Appraisal System for teaching and non-teaching staff

Based on the guidelines of Pravara Institute of Medical Sciences and Pravara Medical Trust, the University has a customized appraisal tool for annual assessment of teaching and non-teaching staff. The teaching and non-teaching staff fills the Annual Confidential Report which is given from the management of Pravara Medical Trust. There are 3 types of forms for Annual Confidential Reports:

- 1. Annual Confidential Report for Grade 1/HOD's/ HOI, Professors and Associate Professors
- 2. Annual Confidential Report for Grade II Officers and Assistant Professors
- 3. Annual Confidential Report for Class III employees

Annual Confidential Report for Grade 1/HOD's/, Professors and Associate Professors contains data of previous academic year is divided in 3 Parts.

Part I contains Personal data of the staff. Part II is to be filled by the respective staff under the following domains:

### 1.Teaching:

- 1. Completion of assigned classes
- 2. Participation in assessment and evaluation processes
- 3. Participation in curriculum development
- Contributions to development of learning resources including elearning resources

### 2.Research

- 1. Information about funded Research
- 2. Publications
- 3. Presentation of research in Conferences, Awards and recognitions achieved
- 4. Workshops attended,
- 5. IPR and innovations if any

### 3.Clinical services provided:

- 1. Additional duties, responsibilities pertaining to patient care
- 4.Professional development

- 1. Participation in continuing education and faculty development activities
- 2. Other Awards and academic recognitions

### 5.Extension services

- 1. Participation in extension activities and social responsibility actions
- 6.Administrative responsibilities
  - 1. Holding of administrative responsibilities 2 Participation on committees and councils

### 7. Extracurricular and co-curricular activities

### 6.4 - Financial Management and Resource Mobilization

### 6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilization of resources

As a self-financed Institution, strategies are developed for mobilization of funds from varied sources. Saving costs wherever possible and trimming of overheads through centralized administration of funds are adopted for optimal utilization of the resources. The Institute is Debt Free and has not borrowed amounts from any Banks or Financial Institutions.

Resource Mobilizations: A tuition fee is major source of fund. In addition to tuition fee other sources of funds are the following:

Research, Consultancy funding from extra-mural agencies, Voluntary contribution from Philanthropist and CSR funding, Clinical Trial Grants, Interest on Corpus fund and Investments, Eligibility, Internship Transfer, Repeater tuition fees, Government funds for research, consultancy, and extension projects.

### Utilization of Resources:

The financial resources are meticulously budgeted and utilized for all round development of the University. Income and expenditure are budgeted for the ensuing financial year by the Finance Officer in consultation with the Heads of the institutions and taking in to consideration of the perspective plan. On recommendation of Finance Committee, Budget is approved by Board of Management.

A unique feature of the budget is, the developmental budget is prepared by the (Planning and Monitoring Board) Internal Quality Assurance Cell and asses at the end of the year of implementation. The University has a functional SOP and a purchase policy for all the purchases. A Building works Committee sanctions all the New Constructions and repairs & maintenance of Buildings.

### 6.4.3 - Institution conducts internal and external financial audits regularly

The University has an Internal Audit as well as an External Audit mechanism in place since its inception and an audit policy approved by the Board of Management.

The Annual Budget recommended by the Finance Committee is approved by the Board of Management. The recurring expenses and Developmental expenditure are depicted in the annual budget and compliance of which is verified by the Internal and External Auditors

The internal audit is carried out by in house team of staff headed by an experienced Internal Auditor, appointed by Board of Management. It is done with objectives and examination of: Financial discipline and its optimum utilization; Budgetary provisioning and controls; Compliance with legal and regulatory provisions; Cost effectiveness and priority elements; Deviations, inconsistencies and give opportunities for resolving them; and to safeguard financial interest of Institution.

External Audit (Statutory Audit): Pravara Institute of Medical Sciences - Deemed to be University is a Public Trust registered under the Bombay Public Trust Act; 1950. Statutory Auditors are appointed as per Sec. 33 of the BPT Act.

The report of the internal and external auditors is placed before the Finance committee and on the recommendation; these reports are submitted to the Board of Management for its approval.

### 6.5 - Internal Quality Assurance System

### 6.5.1 - Instituion has a streamlined Internal Quality Assurance Mechanism

The University IQAC, PIMSDU was established and updated time to time as per NAAC guidelines for continuous quality initiative, sustenance and improvement.

### Objectives:

To foster a Quality teaching-learning environment with outcome based benchmarks for continuous quality initiative, sustenance and improvement of academic, research, administrative and financial performance of PIMSDU.

PIMSDU IQAC composition is as per NAAC Guidelines which includes Vice Chancellor (Chairperson), Members from Management, Faculty of all levels, Academic / Administrative Officers of University, students, Alumni, External Members from society, Industry Expert and Senior Professor as Coordinator/Director.

Activities of University IQAC are to Development and application of quality benchmarks/parameters for various academic and administrative activities. Dissemination of information on various quality parameters of higher education as per guidelines of UGC and NAAC. Organization of workshop/seminars on quality related themes. Preparation and submission of AQAR time to time annually. Preparation of Annual Reports of the University.

Collection, analysis, and action taken on feedbacks from all the stakeholders of the University. IQAC gives advice on all activities

of constituent institutions. IQAC also comply the recommendations of the NAAC Peer team and UGC Committee. Regular Academic and Administrative Audit (AAA) is also conducted by the University IQAC. Many quality initiatives in relation to Teaching-Learning and Evaluation, Faculty Development, Research, extension activities by IQAC have shown a positive outcome.

## 6.5.3 - Impact analysis of the various initiatives carried out and used for quality improvement during the year

Due to COVID-19 Pandemic almost all Academic activities were affected but as per IQAC's guidance Online Teaching learning and assessment was done as per orders received from governing councils time to time. Syllabus and evaluation completed on time as per guidelines of regulatory authorities.

Faculty Development Programmes: Training for curriculum implementation was done Online and Blended learning. As a part of curriculum design and development to modify the curriculum Outcome based or Competency based due to initiatives undertaken by IQAC various programmes were modified to POs COs.

Mentor Mentee Programme was continued this year online due to COVID pandemic

Research and Extension activities were also hampered due to COVID but initiatives resulted in continuation of Extramural funding and Collaborations in this academic year also.

Workshops on Research Methodology, ICT enabled teaching and learning and IPR were conducted.

NABL of Molecular diagnostic Laboratory was done and certification was received.

Increase in extramural grants received, Increase in number of Publications.

### Administration

COVID-19 Pandemic Dedicated 100 beded COVID Hospital was build and run by PIMSDU.

ICT tools in TL and Evaluation like zoom, teams, Cisco webex and google meet were introduced and faculty members were trained to use them.

Academic Administrative Audit

Managing both COVID and Non COVID cases and COVID Vaccination to all students, staff and community.

### INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the institution for the promotion of gender equity during the year

Gender Equity Measures

Pravara Institute of Medical Sciences is committed to creating and maintaining an environment which is free of all forms of gender violence, sexual harassment, and discrimination on the basis of sex/gender.

Gender sensitization is done to make people aware of the need to bring about quantum change in our mindset which sees man as the bread winner and woman as the house keeper.

PIMS (DU) has constituted a committee called "Internal Complaint Committee to Prevent Sexual Harassment of Women at the Workplace" office of the Cell is an educational resource as well as a complaint centre for the members of the faculty, staff and students of University. The Cell seeks to inform the campus community of their right to a respectful work and learning environment.

The above committee members look after the matters related with Gender Sensitization & sexual Harassment internal Complaints cell

A Women Empowerment Cell (WEC) has been constituted to empower and safeguard the rights of female members; faculty ,staff ,students of the University. The WEC works to promote gender sensitivity in the university and conduct diverse program to educate, sensitize both male and female members and produce harmonious atmosphere on the campus. https://www.pravara.com/woman-empowerment.html,

### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution during the year as per NAAC format provided in the Manual

Title:Community Oriented Medical Education (COME) -Family Study

Objectives: o get real picture of rural living conditions, their health problems, to learn social anatomy and social physiology and to improve communication skills are the main objectives of this activity.

Context: Accessibility to healthcare services across rural parts of India cannot be overstated. To educate the rural & tribal population for creating awareness on prevention of diseases and health promotion is of paramount importance.

Practice: Five families to be allotted to each MBBS students in first MBBS, visit under guidance of Teacher in-charge, Tutors and MSW. In this visit, students record village schedule details and social demographic information in their journals. Follow up visits in Ist & IInd Community postings.

Evidence of success:Benefits to family: Creating awareness about Gram Swachata Abhiyan.People get information regarding health services available in health centers, Information about special OPD schedule and timings in PRHLoni. Information regarding health insurance schemes run by Government.MSW helps to connect these families with PRH, Loni.Benefits to students: Early exposure to rural community: Living conditions, rural environment, and health problems, social and cultural factors. Early clinical exposure. Learn communication skills. special OPD schedule and timings in PRH, Loni

Problems encountered and resources required: Time slot given is short .require additional staff vehicles and cooperation from villagers.reconstruction.Paediatric surgeries.Spine surgeries.Early initiation of Breast feeding.Antibiotic H
