## Preface and Introduction of Pravara Institute of Medical Sciences-DU

### The Beginning :

**Pravara Medical Trust** was established in 1972 by the rare visionary, most revered and respected, Dr. Vitthalrao Vikhe Patil (Padmashri Awardee), the founder of first co-operative sugar factory in Asia, in 1948, at Loni – a remote village of Maharashtra, a feat appreciated by **Pandit Jawaharlal Nehru**, the then Prime Minister of India. He also initiated and led Pravara cooperative movement for inclusive-holistic rural development, education and health care. The functional and realistic model of integrated, participative, sustainable rural development as well as comprehensive holistic health care and education, successfully launched by the rare visionary and ambassador of socioeconomic change, is popularly known as “**Pravara-Loni Model of PURA**”, commended by **Dr. APJ Abdul Kalam**, the then President of India.

### The Background :

**Dr. Vitthalrao Vikhe Patil**, a farmer of Loni, a draught prone backward village of Maharashtra, realized the importance of integrated rural development to solve the problems of illiteracy, poverty, hunger, unemployment, social inequality, economic exploitation, poor public and personnel health, shelter, clothing and basic amenities in rural areas, which were the real challenges before a young independent India in 1947. The rare visionary was with full of ideas, courage and determination to address these issues head on directly. He initiated the revolutionary cooperative movement of farmers to achieve the impossible – “Integrated holistic sustainable rural development”. He aimed at realizing “Gram Swaraj” in true letter and spirit. The cooperative movement of farmers led by him, aimed at the issues of agriculture, livestock development and agrobased industry (1948), primary, secondary and collegiate education (1964) and cooperative banking (1972). All these initiatives started transforming the draught prone backward village towards the path of integrated sustainable rural development – social, political, economical. This realistic cooperative model was appreciated by one and all, across the nation.

In order to address the issues of comprehensive rural health care, he established the **Pravara Medical Trust in 1972, Dr. Vitthalrao Vikhe Patil Pravara Rural Hospital, in 1976** at Loni and several rural health centers.

For this illustrious social work and sacrifice, Government of India honored him with the award of “**Padmashri**” in 1962. Pune University conferred on him the honorary **D.Lit** in 1978 and established a Chair in his name to undertake Research in Rural Development (1981). Mahatma Phule Krishi Vidyapeeth conferred on him the honorary **D.Sc.** in 1979.

Film Division of India presented a documentary film on his achievements entitled “Shoulder to Shoulder” in 1953. Veteran Girish Karnad directed a documentary “Sweet Revolution” in 1986, based on his accomplishments. Shri Rajamangal Vedekar and Shri. Shivajirao Sawant has written biographic books (1977/1985) on the life and mission of this illustrious leader. We offer our tributes to this cellular visionary.

### Development, Consolidation and Expansion of Co-operative Movement:

The mission and ideas of this great visionary were further developed and nurtured by his son **Dr. Balasaheb Vikhe Patil**, Padmabhushan Awardee, Parliamentarian (8 times), Statesman, humble social worker and visionary leader of masses. He continued the cooperative movement for integrated rural development and further strengthened comprehensive rural health care and established Health professional Colleges in Loni .

To meet the national requirement for qualified health professionals, PMT established the various teaching institutes:

1. **Dr. Balasaheb Vikhe Patil Rural Medical College (Formerly Called as a Rural Medical College) (1984)**

In order to achieve the integrated holistic approach in health care, education and research, Pravara Medical Trust (PMT) took positive steps towards the establishment of a deemed university (with the approval of UGC, MHRD, GOI) by bringing all of its colleges and units of health education and tertiary medical hospital under one ambit/ umbrella, in 2003. Thus, the **Deemed to be University** was born at Loni-"**Pravara Institute of Medical Sciences (PIMS-DU)**", a unique feature in Indian professional education system in a rural India. The governance, leadership and management of PIMS-DU are as per regulations governing deemed to be universities, notified by the UGC from time to time (UGC institution deemed to be universities regulations 2010/ 2016/ 2019 ).
