Dr. APJ Abdul Kalam College of Physiotherapy
Pravara Institute of Medical Sciences -DU
Registration No. 466/2020

Alumni Association had Organized a webinar on “Pursuing Career Overseas: UK” on 4th October 2025 for BPT Final Year students and Interns. The session was conducted by Dr. Hetal Giri, an esteemed alumnus currently practicing physiotherapy in the United Kingdom.

The objective of the session was to orient students about the scope of physiotherapy practice in the UK, the HCPC registration process, and the various job and academic opportunities available for Indian physiotherapists abroad. Dr. Hetal provided a detailed overview of the UK healthcare system, including work environments in both NHS and private sectors, expected professional responsibilities, salary ranges, and pathways for career progression.

The speaker elaborated on essential requirements such as IELTS/OET, documentation for HCPC licensing, and strategies for building a strong clinical and professional profile. Students also received practical guidance on job search platforms, interview preparation, and higher education options including popular postgraduate programs and scholarships in the UK.

The session concluded with an interactive Q&A, where participants clarified doubts related to visas, relocation, accommodation, and financial planning. Students expressed that the webinar was highly valuable, motivating, and provided clarity on pursuing international career opportunities.
