

INTERNATIONAL SPINAL CORD INJURY WEEK 2025

Spinal Cord Injury Day, observed annually on September 5th, was established by the International Spinal Cord Society (ISCOS). The primary goal of this day is to raise awareness about the prevention of spinal cord injuries and to improve rehabilitation and opportunities for those living with such injuries. On the occasion of International Spinal Cord Injury Day 2025, Smt. Sindhutai E. Vikhe Patil Spinal Cord Injury Rehabilitation Center, Department of Neuro Physiotherapy and Community Extension Activity Committee from Dr. APJ Abdul Kalam College of Physiotherapy had organized various Activities.
