

## PRAVARA INSTITUTE OF MEDICAL SCIENCES PRAVARA RURAL AYURVED COLLEGE

### DEPARTMENT OF KAYACHIKITSA

#### VISION

To become a center of excellence in **Kayachikitsa** by integrating **classical Ayurvedic wisdom, evidence-based clinical practice, quality education, and research**, aimed at promoting holistic health and sustainable disease management for society.

#### MISSION

1. To impart **competency-based undergraduate and postgraduate education** in Kayachikitsa grounded in Ayurvedic fundamentals and classical texts.
2. To provide **effective, ethical, and patient-centric clinical care** through Ayurvedic principles for the management of lifestyle disorders, chronic diseases, and systemic illnesses.
3. To encourage **research, documentation, and scientific validation** of Kayachikitsa therapies and formulations in accordance with contemporary standards.
4. To promote **interdisciplinary learning and integrative approaches** while preserving the authenticity of Ayurveda.
5. To develop **skilled Ayurvedic physicians** with strong clinical acumen, professional ethics, and social responsibility.
6. To contribute to **community health services** through outreach programs, preventive healthcare education, and public awareness activities.
