PRAVARA INSTITUTE OF MEDICAL SCIENCES
PRAVARA RURAL AYURVED COLLEGE

DEPARTMENT OF RACHANA SHARIR

VISION

- To be a premier Anatomy Department, renowned for excellence in education, research, and innovation, inspiring future generations of healthcare professionals.

- To establish a centre of excellence in anatomical sciences, integrating traditional knowledge with modern technologies, and nurturing a community of scholars, educators, and clinicians dedicated to advancing human health and well-being.

MISSION

- To create a dynamic learning environment that integrates anatomical sciences with clinical practice, research, and technology, empowering students to become competent, compassionate, and forward-thinking healthcare professionals.

- To advance the understanding and application of anatomical sciences through education, research, and service, improving human health, and promoting excellence in healthcare education and practice.
