

PRAVARA INSTITUTE OF MEDICAL SCIENCES PRAVARA RURAL AYURVED COLLEGE

DEPARTMENT OF SHALYATANTRA

VISION

To establish excellence in Ayurvedic surgical sciences (Shalyatantra) through classical surgical principles, modern advancements, skill-based training, and ethical patient care.

MISSION

1. To provide **competency-based education and hands-on surgical training** rooted in Sushruta's principles.
2. To deliver **safe, effective, and evidence-based Ayurvedic surgical care**, including para-surgical procedures.
3. To promote **research and innovation** in Ayurvedic surgery and wound management.
4. To integrate **traditional and modern surgical practices** while preserving Ayurvedic fundamentals.
5. To develop **skilled, ethical, and confident Ayurvedic surgeons** committed to patient welfare.
