Dr. A.P.J. Abdul Kalam
College of Physiotherapy

Celebrating 25 glorious years of existence...

Theme:

**"Multifaceted Approach to Physiotherapy
& Rehabilitation."**

(Call for Registration & Abstracts)

www.pravara.com

About Us:

Warm Greetings from Dr. A.P.J. Abdul Kalam College of Physiotherapy. Pravara Institute of Medical Sciences (Deemed to be University) was established under Section (3) of UGC Act 1956 on 29th September 2003. The parent organization-Pravara Medical Trust was established in Loni in the year 1972. The trust started a 100 bedded Pravara Rural Hospital in 1976 with the aim of providing healthcare services to the rural & tribal population of the region. Today the hospital has 1289 beds with all modern healthcare facilities and provides treatment to approximately 1 million patients every year.

Dr. A. P. J. Abdul Kalam College of Physiotherapy started in 1976 as Dept. of Physiotherapy at Pravara Rural Hospital for patient care and the Degree programme in Physiotherapy started in 1997. Today we are amongst the most eminent and oldest Physiotherapy Colleges in India, built in a spacious and well ventilated 37500 sqft area. We offer value based Physiotherapy education and evidence based Physiotherapy services. The College of Physiotherapy, Rural Medical College and 1289 bedded Padmashree Dr. Vitthalrao Vikhe Patil Pravara Rural Hospital (formally known as Pravara Rural Hospital) are in the same campus. The college has well equipped specialized Physiotherapy OPDs extending its services to Pravara Rural Hospital patients as well as to the tribal and rural population of this region through Primary health care centres of PIMS (DU). We have academic collaborations with international and renowned universities for students & staff exchange programme. The college has five specialized clinical departments - Orthopaedic PT, Neuro PT, Cardio respiratory PT, Community PT & Paediatric PT with PG and PhD programs in all the five specialities. These departments cater to the needs of a large no. of patients through outreach activities offered to the community via Multidiganostic camps, visits to Elderiy care homes etc. This provides ample clinical and teaching-learning opportunities.

In addition, the college also has three unique units - Smt. Sindhutai E. Vikhe Patil Spinal Cord Injury Rehabilitation Centre, Better Management of Osteoarthritis (BOA) Unit and Prosthetic & Orthotic lab to enhance the student training and patient care, developed through International Collaborations.

24th Feb
